

- (F) The following text shall replace paragraph II of the 1986 Protocol:

"

**Paragraph II**

1. The provisions of the legislation of Luxembourg which provide for the reduction, suspension or cancellation of a pension when it coincides with other social security benefits or with professional income or the exercise of a professional activity shall be applied to a beneficiary even if the benefit is acquired under the legislation of Canada or the professional income is earned or the professional activity is performed in the territory of Canada.
2. For the purposes of applying the preceding paragraph, benefits provided for under the legislation of Canada that are subject to an income test shall not be taken into account."

- (G) Paragraph III of the 1986 Protocol is deleted.

Article 2

- (A) Each of the Parties shall notify the other when the internal procedures required for the entry into force of this Protocol have been completed.
- (B) The Protocol shall enter into force on the first day of the third month following the completion of the notification procedure described in paragraph (A).
