ANNOUNCEMENT TO THE PUBLIC.

We beg to announce to the Canadian readers that we have made arrangements with the English publishers of

“LONDON SOCIETY”

for a duplicate set of plates, commencing with the July Number, of this well-known and popular Family Magazine, to be issued simultaneously with the London edition, and at the exceedingly low price of

\$3.00 PER YEAR,

including the Extra Midsummer and Christmas Numbers. This is about one-half the price it can now be obtained for in this country, and less than the original edition is sold for in London. It will be an exact FAC SIMILE in every respect, each number being richly illustrated.

“London Society” and “Blackwood’s Magazine” pay the highest prices in England for contributions.
