

our class for Bible study. Every member of the class has voluntarily testified again and again to the great benefit derived from the course. Each has obtained a deeper insight into the precious truths of God's holy Word, and has thereby been rendered a more efficient Christian worker.

During the early part of the course, when dear Tom's health permitted, he was always recognized as our leader, because pre-eminently qualified by the gifts and graces of the Spirit; and as long as life lasts we will have reason to remember with devout gratitude those blessed seasons spent together around the open Word, as we sang the sweet songs of Zion, and blended our heartfelt prayers together in a common purpose, that God would give us grace and strength to do His blessed will.

Death has promoted our beloved leader nearer to the throne, but he is no less our leader still. He has shown us both how to live, by the grace of God, a useful Christian life, and how with joy to lay down the weapons of this earthly warfare to receive the crown of life, which the Lord the righteous Judge shall give at that day to all those who love His appearing.

Yours, in Christian sympathy,

On behalf of the class,

FRANK M. FOSTER.

FROM THE Y. M. C. A., BRANTFORD.

At a meeting of the Board of the Young Men's Christian Association of Brantford, held September 18th, 1894, it was moved and carried unanimously that this Association deeply deploras the loss it has sustained in the removal by death of one of its most devoted and useful members, Brother Thomas M. Harris, for several years a member of the Board of Directors. Although a young man, Brother Harris had grown rapidly in grace, and had developed a Christian character of a breadth and solidity unusual even in Christians of maturer years and riper experience; and his counsels upon matters affecting the welfare of the Association were words of wisdom and prudence.
