

**WILBOR'S COMPOUND OF
PURE COD LIVER
OIL AND LIME.**

FOR CONSUMPTION, it is the only reliable remedy known. It has, in thousands of instances, restored patients that seemed past hope of recovery; and, in tens of thousands, has arrested the disease in its primary stages, and restored the patient to robust health.

BRONCHITIS.—Its effects in this troublesome disease are very marked. It is necessary to persist in its use for a considerable length of time. **FEMALE DEBILITY.**—To sustain and augment the vital forces; to make new, rich and pure blood; to build up the nervous system; to restore energy to the mind and body—nothing can be better adapted than this preparation. In **ASTHMA, GENERAL DEBILITY, EMACIATION, COUGHS,** it is a reliable remedy. Nineteenths of the cases where it is supposed to fail, simply arise from the remedy being abandoned before its beneficial effect became obvious. Be careful and get the genuine, manufactured only by
