Varsity Juniors
Beat Orillia 4-3

VARSITY JUNIORS HAVE ONE GOAL LEAD ON ORILLIA TEAM

Checked Northern Seven to Standstill in First Game of Junior Finals — Return Game Wednesday Night — Smythe the Star.

It was only a fair crowd that turned out for the first game of the Junior O. H. A. final last night, but it was the best pleased crowd of the season. The regulars came prepared to see Varsity sowed under by the wonderful seven from Orillia, Ontario, and to be whistled if the most tickled crowd that has ever left the arena when Varsity ters and Orillia's taste, and trimmed Orillia to the King's taste, and even if they only carry a one-goal lead to Orillia Wednesday for the second and deciding game for the "kid" honors, it was a grand victory. The full time score was 4 to 3 with the blue and white squad up 2 to 1 at the interval.

The advance notices gave it out that the marvelous team play of Orillia would well be worth the price of admission, and that the great things to be expected of Butterfield, the one and only one-man team, and something never seen in Toronto before. Let us put you right. Orillia must have left their team play in the northern town, for they had not, the slightest hint of that wonderful asset and for Mr. Butterfield, Esq., was bottled up so tight with good back checking that he was on the ice if he had not known the line-up before hand.

Varsity handed out a reading back checking for the full sixty minutes that checked Orillia to nothing in the first half and bottled them up so tight in the second round that they never had a chance unless Varsity had made a mistake. The University of Toronto had a pretty two and three-man combination working that was effective at all times. Smythe and Milne led in the checking and bored into the Orillia net with a dash that had the northern defence dazzled. Smythe played the best game of his career and was the bright shining light of the game. He was all over the ice, and it was his going right to the net that tallied all the Varsity scores. Smythe netted the four out of five goals, and called an offside when the referee called an offside when Smythe got the puck past Johnson in the first half, and looked as if he erred, and missed a shot in the second half, and was lightning through with Varsity forwards showing the best, and Milne, Smythe and Saunders kept drilling through the Orillia defence, and their shooting was on target at all stages. Kept Tuohpe, Butterfield, Draper and Teskey well out, and after Varsity got the first couple Orillia kept shooting from far out.

Varsity played the cleanest hockey at all stages and Butterfield did some nasty checking after all intermediate hockey team and white forwards had him checked to the net. Both goalers were in good form with the Orillia man having the most work to do.

Varsity opened by pressing, and had Orillia backing up for the first fifteen minutes. The U. of T. boys had several shots, but Johnson did some fast clearing until Mathers broke a certain shot, and the puck down. Smythe went with him, and the defence man punted pretty well. Smythe was hit by the defence, Johnson didn't have a chance to keep it out. Smythe talked again, but it was not allowed, and he was chased for leaving in the goal mouth. Butterfield scored for Orillia from centre ice with a long lift. The puck was faced at the side, and Tuohpe shoved it over to Butterfield, who lifted it high over the defence, and the rubber dropped into the net. Smythe got the next one by hitting in the rebound after Saunders had shot. The Varsity centre closed in fast, and the half ended without further scoring.

Smythe opened the scoring two minutes after the second half started, while his teammates were using their good back-checking to stop the Orillia forwards. The puck was returned to the Orillia end from a press, and Smythe raced for it. The rubber hit the edge of the rink and as it bounced out the Varsity centre baited it into the net. It was the prettiest play of the night. Reids scored Orillia's second from a lone rush well outside the defence.

Saunders missed an open net a few minutes later, and Johnson turned aside a half-dozen more. Draper got the next from the corner, the puck just slipping past Malone's skate. This ended the scoring and the best junior game of the year.

Varsity had it over Orillia every way you look at it, and with just a little more of the breaks, could surely have run up the score. It should be one of the greatest struggles of the year in Orillia on Wednesday night, and Varsity may be beaten, but will not be disgraced. The teams:

Orillia (3)—Goal, Johnson; defence, Reid and Macnab; cover, Butterfield; centre, Tuohpe; right, Draper; left, Teskey.

Varsity (4)—Goal, Malone; defence,

Torontos and Canadiens Are Owned in Montreal

Sporting Editor World: I have been informed that the Toronto and Canadian Hockey Clubs are owned by the same interests in Montreal, and that the recent tie-up was in the plan for two extra games, and it does not make any difference which team plays for the Stanley Cup. As it is not intended to defend the cup without the services of the Canadiens, the Toronto and Canadian teams will play their games in our beautiful arena.

PRESTON WINS THE CONSOLATION SERIES

HAMILTON, March 9.—By decisively defeating the Centennials by the score of 7 to 4 at the Alerte's rink tonight the Preston intermediate hockey team won the championship of the Western Ontario Consolation series. The game was fast and exciting, and the half ended with six-man hockey was played owing to Nichols being off with an injured knee. This was Preston's fourth straight win in the series, which closed with tonight's game. The standing of the clubs:

Preston..... 4	0
Paris..... 3	2
Centennials..... 1	3

The line-up: Goal, Shortt; right defence, Buck Bowman; left defence, Walker; rover, Etherington; centre, Schlegel; right wing, A. Bowman; left wing, Vonende.

Yorks for Finals Beat Eastern Stars

Last night at Ravina Rink one of the hardest battles of the Bouché League was staged when Yorks and Eastern Stars came together in the play-off of the eastern intermediate series. Although Yorks won by the rather one-sided score of 6 to 1, the play was very close, and the checking was hard from start to finish. Neither team spared the other in their attempts to score, and as a result the penalties were handed out often. In favor of Yorks, chiefly owing to the fact that they played more combination than their opponents. Yorks will meet Broadview in the final of the intermediate series on Friday night at Ravina Rink. The teams:

Yorks (6): Goal, Kennedy; defence, McKenzie, Williamson; rover, Ellis; left wing, Kennedy; Goal, Riley; right wing, Kennedy; centre, Burney and Cousins; rover, Chapman; centre, Stewart; right wing, Cousins; left wing, Birch.

Referee: J. Labatt.

TORONTOS READY FOR CANADIENS

Blue Shirts Are Confident Despite Two Goal Margin—Bank Final Tonight

Two goals and the Canadiens separate Torontos from the championship of the N. H. A. If the blue shirts can overcome these two obstacles they will grab the title. Two goals is quite a margin for the fast-going Frenchmen to have, but the locals provided they stay in condition, should not worry much on that account. The interest in the struggle is very keen, and the teams should enter the game keyed up to fever-heat. All the tickets have been sold Wednesday night's battle, and the crowd should be as large as any this season. Canadiens are favorites, and three to one even is being bet against the Torontos, which the locals are quickly taking up.

Tonight at the Arena the final game in the Bank League series will be played. When Domions, with their one-goal lead, will try to stave off the fast-coming Unionites.

Tomorrow night at Orillia the final game in the Junior O.H.A. series will be played. When Domions, with their one-goal lead, will try to stave off the fast-coming Unionites.

This comes from Montreal: If the world series hockey game of Saturday, March 14, is played in Montreal on soft ice, the game of the 17th will be played in Toronto; if hard ice is assured for the 18th, the third game will be played in Montreal, otherwise in Toronto; also the fourth and fifth games on the 21st and 22nd.

In the event of the Victoria goalkeeper George Lehma, the westerners may use the referees selected are Russell Bowie and R. McDunn. Montreal, P. Brennan, Montreal, and Harvey Duford, are alternatives.

The charge against George Kennedy, president of the Canadian Hockey Club, of assaulting Leo Dandurand, who refused to play a game between Vancouver and the Canadiens, was dismissed in the Montreal police court.

Dandurand said that when he came off the ice after the game Kennedy grabbed him by the neck and called him a "yellow dog," and said he was "rotten." Kennedy denied the assault and was supported by several witnesses who were standing by when Dandurand came off the ice.

The Allan Cup trustees have at last heard from in connection with the case of George Kennedy, who refused to defend the cup without the services of the Canadiens, and the trustees gave Monarchs until three o'clock yesterday afternoon to reconsider. If they again refuse, the cup goes to Kenora.

The M.Y.M.A. will stage two decisive games on Wednesday night at Ravina Rink. In the intermediate semi-final, at 7:45, Etobicoke and Wesley will clash, while, at 8:15, in the junior final, St. Pauls and Davisville will hook up.

CLAIM IRREGULARITIES IN VOTE ON BYLAW

Collingwood Men Obtain Interim Injunction Against Town Council. At Osgoode Hall yesterday, action to prevent a last reading of a bylaw by the Collingwood Council, to guarantee bonds of the Imperial Steel and Wire Company, to the town of \$100,000, was launched by the issue of a writ by H. G. Wynnes and John Wilson, two Collingwood ratepayers. Justice Kelly granted an interim injunction, so that the council could not give the bill its third reading last night.

The plaintiffs claimed that the venture would not be a profitable thing for Collingwood, and they allege that when the question was submitted to the citizens there were many cases of personation, repeat voting and other irregularities sufficient to void the voting.

A delegation from the T. and D. waited on Parks Commissioner Chambers and Controller Simpson last evening, and they have received the promise from these gentlemen that a certain number of the city parks will be set aside for the use of the T. and D. and that they will designate which ones before the end of the week. BILLY HAY SAYS:

"A chap said to me the other day: 'Billy, you've told me so many things that your salesmen, individually and collectively, gladly do for your customers, that I sometimes wonder if there is not something they can't or won't do. Own up now,' he said.

"Well, maybe you are right. There probably is something they won't do. I've heard clerks start loose a streak of talk that would bewilder a book agent. And when a customer sort of got fogged over with words and lost the trail and stopped the noise with a question, the clerk, forgetting where he left off, would stare with a face very forcibly expressing nothing. Of course, that type is merely a clerk, and it is hardly fair to compare him with a salesman—but well, that's one little thing my salesmen couldn't do."
