Isaac, C. E. and M. E.

Incorporated under the Ontario Joint Stock Company
and Mining Acts.)

OBJECTS -

To acquire properties either by purchase or
mining interest, from prospectors unable to
develop their claims, develop the
property to a stage when they can be placed upon
the market as paying mines.

PROPERTIES -

SNOWBIRD gold, situated half way between
Rossland and Trail, on surveyed line
C.P.R.

QUEEN BEE gold, situated four miles
from Harrison Lake Sanitarium.

With fine tunnel propositions.

Thirty acres on steamboat channel, 25
miles from Rat Portage.

Options at Rat Portage and Seine
River districts for working interest.

ADVANTAGES -

An investor in shares of this company is
entitled to dividends obtained from one
property only, but from a large number, which
are developed and sold by the company,
which gives him 10 chances to one over the
average in stocks of ordinary companies.

100,000 shares of stock are now offered for
at 10 cents per share, par value one dol-
lar. Liability beyond the amount ac-
quired upon stock in the company at-
tributable to the subscribers thereto or to holders
of the same.

Practical operations of the company
are carried on under the supervision of
a mining engineering skill that can be
guaranteed, so that the stockholders will have
the most practical as well as the best
financial management of the com-
pany.

Are You Making Money ?

Do your goods pay a living profit?

Do you buy the goods people ask for?

Or do you have to push your goods off at cut
Prices ?

Your customers will pay you a better profit for goods they ask for
than for goods you try to persuade them they want.

H. Shorey & Co.'s Clothing is known and being asked for by
your customers and always sells for a profit on that account.
