TACITI ANNALIUM LIB. III.

LIBERALLY TRANSLATED

"Then James Madison, a second time President, adopted a remedy for the  
wrongs of our *seamen*, infinitely more injurious to them than the evils which they  
suffered...he ordered out the militia, in contempt of that very Constitution of which  
he was one of the principal framers. In short, whatever he attempted to vindicate  
by arms, by arms he lost."
