

SCHMITZ AND ZUMPT'S CLASSICAL SERIES—Continued.

III.

ELEMENTARY GRAMMAR AND EXERCISES. By Dr. LEONHARD SCHMITZ, F. R. S. E., Rector of the High School, Edinburgh, &c. In one handsome royal 18mo. volume of 246 pages, extra cloth, price 50 cents. (Just Issued.)

PREPARING FOR SPEEDY PUBLICATION.

LATIN READING AND EXERCISE BOOK, 1 vol., royal 18mo.

A SCHOOL CLASSICAL DICTIONARY, 1 vol., royal 18mo.

It will thus be seen that this series is now very nearly complete, embracing eight prominent Latin authors, and requiring but two more elementary works to render it sufficient in itself for a thorough course of study, and these latter are now preparing for early publication. During the successive appearance of the volumes, the plan and execution of the whole have been received with marked approbation, and the fact that it supplies a want not hitherto provided for, is evinced by the adoption of these works in a very large number of the best academies and seminaries throughout the country.

But we cannot forbear commending especially both to instructors and pupils the whole of the series, edited by those accomplished scholars, Drs. Schmitz and Zumpt. Here will be found a set of text-books that combine the excellencies so long desired in this class of works. They will not cost the student, by one half at least, that which he must expend for some other editions. And who will not say that this is a consideration worthy of attention? For the cheaper our school-books can be made, the more widely will they be circulated and used. Here you will find, too, no useless display of notes and of learning, but in foot notes on each page you have everything necessary to the understanding of the text. The difficult points are sometimes elucidated, and often is the student referred to the places where he can find light, but not without some effort of his own. We think that the punctuation in these books might be improved; but taken as a whole, they come nearer to the wants of the times than any within our knowledge.—*Southern College Review.*

Uniform with SCHMITZ AND ZUMPT'S CLASSICAL SERIES—(Now Ready.)

THE CLASSICAL MANUAL;

AN EPITOME OF ANCIENT GEOGRAPHY, GREEK AND ROMAN MYTHOLOGY, ANTIQUITIES, AND CHRONOLOGY.

CHIEFLY INTENDED FOR THE USE OF SCHOOLS.

BY JAMES S. S. BAIRD, T. C. D.,

Assistant Classical Master, King's School, Gloucester.

In one neat volume, royal 18mo., extra cloth, price Fifty cents.

This little volume has been prepared to meet the recognized want of an Epitome which, within the compass of a single small volume, should contain the information requisite to elucidate the Greek and Roman authors most commonly read in our schools. The aim of the author has been to embody in it such details as are important or necessary for the junior student, in a form and space capable of rendering them easily mastered and retained, and he has consequently not incumbered it with a mass of learning which, though highly valuable to the advanced student, is merely perplexing to the beginner. In the amount of information presented, and the manner in which it is conveyed, as well as its convenient size and exceedingly low price, it is therefore admirably adapted for the younger classes of our numerous classical schools.
