

## CONTENTS OF VOL. III

### PART II (*Continued*)

#### REGIONAL SURGERY (*Continued*)

##### OPERATIONS ON THE ABDOMEN

###### INCISION AND REPAIR OF THE ABDOMINAL WALL: 131

INCISION OF THE ABDOMINAL WALL . . . . .	1
REPAIR OF THE ABDOMINAL WALL . . . . .	8

###### OPERATIONS ON THE ABDOMINAL WALL:

TRAUMATIC LESIONS . . . . .	13
INFLAMMATORY LESIONS . . . . .	17

RADICAL CURE OF HERNIA . . . . .	45
----------------------------------	----

LIPOMATOSIS OF THE ABDOMINAL WALL . . . . .	78
---	----

###### TUMOURS:

BENIGN TUMOURS . . . . .	80
MALIGNANT TUMOURS . . . . .	82

##### OPERATIONS ON THE PERITONEUM

SURGICAL TREATMENT OF ACUTE PERITONITIS . . . . .	83
---	----

ENCYSTED PERITONITIS . . . . .	84
--------------------------------	----

DIFFUSE PERITONITIS . . . . .	86
-------------------------------	----

AUTOPLASTIC REPAIR OF THE PERITONEUM . . . . .	90
--	----

##### OPERATIONS ON THE LIVER AND BILE PASSAGES

SURGICAL ANATOMY OF THE LIVER AND BILE PASSAGES . . . . .	95
---	----

CHRONIC INFLAMMATORY LESIONS . . . . .	114
--	-----

CONGENITAL AND ACQUIRED MALFORMATIONS . . . . .	138
---	-----

TUMOURS OF THE LIVER . . . . .	141
--------------------------------	-----

SURGERY OF THE PANCREAS . . . . .	156
-----------------------------------	-----

SURGERY OF THE STOMACH AND INTESTINES . . . . .	160
---	-----

OPERATIONS FOR NON-CANCEROUS LESIONS OF THE STOMACH . . . . .	162
---	-----

TOPOGRAPHICAL ANATOMY OF THE STOMACH AND INTESTINE . . . . .	164
--	-----
