

INFLAMED GUMS— THE CAUSE OF TOOTH-BASE DECAY

Just as the strength of a building is dependent upon its foundations, so are healthy teeth dependent upon healthy gums.

Permit the gums to become inflamed or tender and you weaken the foundation of the teeth. This condition is called Pyorrhea (Riggs' Disease). Loosening of teeth is a direct result. And spongy, receding gums invite painful tooth base decay. They act, too, as so many doorways—infected germs to enter the system—causing other ailments.

Pyorrhea (Riggs' Disease) attacks four out of five people who are over forty. And many under that age, also. Its first symptom is tender gums. So you should look to your gums! Use Forhan's, which positively prevents Pyorrhea if used in time and used consistently. It also scientifically cleans the teeth—keeps them white and clean. Brush your teeth with it.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment.

QUOTERS STAGE EXCITING MATCH AT LOCAL GROUNDS

H. Storie Wins in Finals—Old-Time
Game Is Witnessed By a Large
Number of Spectators.

Saturday's blazing sun did not daunt local quotters from staging their weekly match on the quotters grounds, King street. The match was scheduled for 2 o'clock, but the sun was so hot that quotters began to gather to witness the game. The match was keenly contested, but the home team, the "Old Time" quotters, won by a score of 15 to 10. The game was one of the best that has been seen in this city since the old time sport was one of the main factors in the sport line in Western Ontario.

H. Storie, lightweight champion of Canada and who has held the cup for the last four years, was drawn against Brook. Broke gave him one of the best runs for the match that he has had, but the "Old Time" quotters won by six points.

Next week another match will be staged here, and it is anticipated that even a larger number of fans and players will take part. The grounds are in an excellent condition. Saturday's scores were:
