Duel Between Buckley and Summers Goes To Sox

2--0. HAMILTON, July 30 .- Today's exse for a ball game was a horrible afcuse for a ball game was a normbe ar-fair to wish on the unsuspecting pub-lic. Hamilton's exhibition of long-distance hitting was the only redeem-ing feature to it. The Shagmen made 18 hits for a total of 28 bases, and piled up 16 runs. "Dec" Bullard, the Cus-ters' southpaw, had nothing at all on the ball.

Joe Reddy pitched for Hamilton, and for four innings not an opponent reached first base. He eased up in the fifth, however, and the visitors got five-runs from then to the finish. Reddy, with four hits in five times at bat, led he Tigers' attack. The score: Battle Creek. A.B. R. H. P.O. A.

10--1 Victory Made Monoton ous Game of First of Series With Vehics-Delotelle Allows But Six Hits.

Fresh from Tigerville the Vehics appeared over at the west-end ball yard yesterday and 10 to 1 was the verdict. No need to say which way the verdict went. Flint hoped to win a game, and had even been urged by the Hams to go up there and beat the heads off the Tecumsehs, but they only hoped for about up there and beat the heads off the Tecumsehs, but they only hoped for about one inning, and then the Tribe started out with their little rakes to gather them in until the sizeable total of 10 had been reached and a similar number of hits.

BROOKLYN, July 30.—Cincinnati made it three out of four from Brooklyn in the sizeable total of 10 had been reached and a similar number of hits. Delotelle allowed the Flinters six hits, the two they achieved in the second inning accounting for their one tally.

The Vehics were a bit disappointing. They certainly didn't look like the team that had thrown several scares into the Shagmen. Either they were horribly off form yesterday or the Hams are easily frightened, despite the steady dribble of reinforcements to Tigerville. They used three hurlers for the afternoon, just by way of showing they had nothing up their sleeves. Landry started his turn and had to retire. Then Fisher came in and he remained until the sixth, the remainder of the score going against him. After a conference before the eighth, Tengen, who has been sold to the St. Louis Americans, but who is to 7, in a ninth-inning rally.

Johnson, the Flint backstop, couldn't discover any of the bags yesterday, no less than seven piffered sacks being registered against him. This doesn't usually happen with him. It's probably the hang over from hitting that ball over the fence at Hamilton.

The Tecs stopped early trying to lift them where the Flint outfield weren't. Trefry and Wetzel are sure a pair of robbers.
