SIR LOMER GOUIN RESIGNS OFFICE

Minister of Justice Retires
From Government Be-
cause of Ill Health.

Ottawa, Jan. 3.—Sir Lomer Gouin, Minister of Justice, has resigned from the government because of ill-health. Following today's meeting of cabinet council, Premier King announced that the resignation had been accepted to take effect immediately. No announcement in regard to his successor has yet been made.

His letter of resignation, dated from Montreal, December 31, follows: "My Dear Prime Minister: "As I have had occasion to mention to you in the course of our recent interview, I feel that the state of my health does not allow of my continuing to administer the department which you entrusted to me at the time of the formation of your cabinet. "You will, I understand, have to call the members of parliament in assembly at a comparatively early date, and in order that my successor may have an opportunity to acquaint himself with the great lines of the administration of the department, I beg leave to tender you my resignation as a member of the government, leaving it to you to decide as to the date that it should be accepted. "I realize the importance of the work that you have achieved and regarding my ability to further collaborate with you, I offer you my very best wishes for success in your great task. "May I, also, extend to you and to my colleagues, my thanks for the courtesy that has so kindly been shown to me during term of office. "With kindest personal regards and sincere greetings for the New Year,"

Prime Minister's Reply
Premier King's reply, dated yesterday follows: "My Dear Sir Lomer: "I have just received your letter of New Year's Eve, in which you tender your resignation as a member of the government. To our colleagues and the cabinet the word that the state of your health will not permit of your continuing to hold the portfolio of Minister of Justice and compel your resignation, will be received with a regret second only to that which I myself experienced at the time of your first mention to me of this possibility. I can only repeat what I then said, that it is with feelings of the deepest regret I find in the circumstances you have mentioned, no alternative other than that of meeting your wishes with respect to a respite from the exact-

ing duties of the work of administration.

"It will perhaps remove the possibility of any uncertainty in the public mind if I do not defer the date of acting upon your request, and accordingly I have decided not to delay the acceptance of your resignation. I cannot accept your resignation, however, as I do now, without saying how much I feel our country is indebted to you for the public services you have rendered during the period you have been a member of the administration; and how earnestly I hope that with freedom from the strain and cares of office, you may be permitted to enjoy many years of health fully restored. "May I again say to you how sincerely grateful I am for your most helpful and loyal co-operation at all times in the work of the government and towards myself, and for your personal friendship and good wishes. "Reciprocating in fullest measure your kind personal regards and greetings for the New Year."

Hon. Ernest Lapointe, Minister of Marine and Fisheries, has been suggested as a likely successor to Sir Lomer at the department of Justice with the probability that Senator Dandurand will be appointed acting minister for the time being. Should Mr. Lapointe be appointed a new minister of Marine will be necessary and some cabinet shuffling entailed.

The entry of Walter Mitchell, member for St. Antoine, Montreal, into the cabinet has been mentioned as a possibility. Sir Lomer's resignation, coupled with the illness of Hon. W. S. Fielding, will mean a loss in the government's debating strength during the coming session. Sir Lomer retains his seat in the House but it is not likely he will take much part in its deliberations. The improvement in Mr. Fielding's health is reported to be maintained, but it is unlikely that he will be able to resume active work for some time to come.

TRINITY S.S. HAS CHRISTMAS TREE

Entertains Pupils of Main
Department With Ex-
cellent Programme.

A Christmas tree and entertainment for the pupils of the main department of Trinity Sunday school were held last night, with about 200 scholars attending, and proved one of the most enjoyable and successful of the Christmas gatherings in the history of the school. The school room was very attractively decorated for the occasion. A very nicely served supper was the first item on the programme, and the children did the supper full justice. Then adjournment was made to the upper hall, where the entertainment programme was given. The programme consisted of recitations, songs, piano selections, dialogues, sketches and carols in which the pupils acquitted themselves most creditably. Among those taking part were Emma Best, Barbara Macdonald, North Macquarie, Kathleen Stewart, Elizabeth Hamilton, Marjorie Stewart, James Irving, Dorothy Dineen, Norma Gregory, Nora Westrup, Eunice Peatman, Helen Rinehart, Marjorie Monaghan, Marjorie Breen, May Westrup, Myrtle Long, Gertrude McQuarrie and Deryl Harding.

There were five reels of motion pictures, which were very pleasing. The presentation of pins was also an important part in the programme. The pins were the awards won under the Cross and Crown system, and they were presented to the scholars by Rev. Canon R. A. Armstrong, the rector, and George S. Topping, the superintendent of the school.

At the children were leaving each one received an appropriate gift and a bag of candy.
