The steamship Empress as she lies ashore at Black Point. This picture shows the ship at low water with her bow high in the air and her stern nearly submerged.

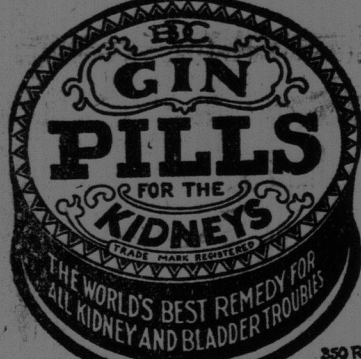

A determined attempt to refloat the stranded steamer Empress, which went ashore at Black Point on Friday, was made last night. Despite the combined efforts of four tugs, a large tug, the ship remained hard and fast. The work was kept going for three-quarters of an hour under ideal

NIGHT SCHOOLS ARE OPENED FOR THE SEASON

Many Pupils Take Advantage of Opportunity to Advance Themselves in Several Lines of Study.

The three free night schools opened last night and the attendance, while no means as large as the need for the schools guaranteed, was quite satisfactory. It is urged that employers and those who know of boys and men who could attend the school with advantage, should encourage them to make use of it. Those who cannot read and write are the ones who require the assistance of the free night schools, and are often not aware of the fact that the schools have opened. Because of their educational handicap, they are often finding out unless friends will advise them.

A. G. Gunter is in charge of the mechanical drawing class in the Centennial school and he reported that twelve pupils enrolled last night. He expects that his class will be much enlarged and will be at the school each night this week except Saturday.

Mrs. Mabel Francis

"Tanlac helped me back to good health two years ago and I am still feeling fine," recently said Mrs. Mabel Francis, highly esteemed resident of 628 S. Linwood Ave., Baltimore, Maryland.

"Before taking the medicine I suffered from nervous breakdown and was in an awful condition. I scarcely had strength and energy to handle a broom and my housework was drudgery to me."

"The first bottle of Tanlac made such a wonderful improvement in my condition that I was both surprised and delighted. So I stuck to it and a few bottles built me up ten pounds and made me feel as if I had never had a sick day. My health has been fine ever since."

NOTE—The International Proprietaries Co., distributors of Tanlac, have on file in their offices at Atlanta, Georgia, over fifty thousand signed statements from representative men and women from every State in the Union and every Province of Canada. Many of these are from prominent people in this city and section and have been previously published in this paper.

Tanlac is sold by all druggists.

Enjoyable Evening in Carleton Methodist Church When Rev. Mr. Bertram and Mrs. Bertram Are Guests of Honor.

The congregation of the Carleton Methodist church gave a reception for the new pastor and his wife, Rev. P. T. and Mrs. Bertram, last night as one of the events in a rally week programme. The reception was a very pleasant and enjoyable occasion. The vestry was filled. Mrs. L. O. Beatty assisted Mr. and Mrs. Bertram in receiving their guests and Mrs. George Barrett was the convener of an able committee which had charge of the ushering and Miss Beatty assisted.

An excellent programme was given and Enoch Thompson acted as chairman. Several of the city clergymen were present and each brought the greetings of his own church or denomination and extended good wishes to the pastor and the congregation. Among the visiting clergymen were: Rev. F. G. Fulton, of Centenary church; Rev. Neil MacLaughlan, of the Queen square church; Rev. C. R. Freeman, of the Baptist street Baptist church; and Rev. W. A. Robbins, of the Ludlow street Baptist church. The programme contained the following numbers: Solos by J. F. Punter and Mrs. Brunstrom and a duet by Miss Bisset and Mr. Punter.

Mr. Thompson gave the address of welcome to the new pastor and Mr. Bertram replied in an appreciative manner. Refreshments were served at the close of the evening by the ladies of the congregation.

The Sunday rally services for the Sunday school were most successful. In the morning the scholars were sent

LIFE WAS MISERY!

"I was reading the other day about Neurasthenia, about the large number of people who were troubled with this disease. It is just what my wife had. She felt miserable all the time and was constantly depressed. She would wake in the morning and tell me that something dreadful was going to happen that day. Life was nothing but a misery for her. She was so depressed that I expected she would lose her mind and have to go to a sanatorium and I kept wondering how I would get the money to pay for her. She could not eat and had no appetite for food. She was irritable and cranky most of the time. If she was crossed in any way, she would immediately work herself up into a violent temper. This worried me because she had always had a kind and gentle disposition and nothing which was said or done seemed to irritate her. I spoke to our family doctor about her and he said that her trouble was imagination and that if she would try and forget about her depression and look on the bright side of life she would be all right. Of course I didn't dare tell her this because I knew she would get into one of her tempers. When she got over these fits of temper, she was always very good. She tried all kinds of other tonics with the same result. Carnol was recommended to me and I wish to state that it is the best medicine I have ever taken. Since taking my wife has changed completely. Now she is always ready for her meals and work is no burden to her. I am glad to recommend Carnol to anyone who is in need of a tonic or a body builder. Excuse me for writing this letter but I want you to accept my thanks for that wonderful tonic known as Carnol." — Mr. J. M. Toronto.

THE LOYALIST
CHAPTER I. O. D. E.

The Loyalist Chapter of the Imperial Order of the Daughters of the Empire held its first meeting of the season last night at the residence of Miss Clara Schofield in Hazen street, with Mrs. H. Vroom, the regent, presiding. The report submitted showed that the chapter was taking a keen interest in the educational work of the order as well as in welfare work. The chapter was able to give assistance in obtaining secondary education for a soldier's child. This was an avenue of helpfulness recommended by the national chapter, but one which few local chapters have been able to follow up to the present time.

Reprints of the recent municipal and provincial chapter meetings were read and reports were given of the summer session. The chapter had given clothing and boots for relief of soldiers' children in the summer.

The educational secretary reported on the presentation of pictures to the school at Musquash and on the presentation of prizes to Alexandra and St. Peter's schools at the school closing. The chapter had also given flag charts to the St. John public library.

Letters were read in connection with the assistance given the soldier's daughter in securing secondary education. It was decided that the monthly contribution to the Imperial Order of Nurses should be continued, and several members volunteered to tag for the V. O. N. on tag day.

Two members, Mrs. N. R. DesBrisay and Mrs. J. A. MacKeigan, had resigned, as they were leaving the city, and two new members were elected, Mrs. Bruce Burpee and Miss Irene McArthur.

The sum of \$300 was voted to the War Memorial monument to be erected in this city.

WOMEN'S INSTITUTE.

A well attended meeting of the St. John branch of the Women's Institute was held yesterday afternoon at the home of Mrs. A. J. Mulcahy, with the president, Mrs. T. M. Vincent, in the chair. The minutes of the last meeting were read and approved, and a report from the treasurer, Mrs. Hooper, who is now in Toronto attending the annual conference, was read by Mrs. Vincent. The institute has one of its nurses taking the public health course at Toronto University. Routine business was attended to and the work of the health centre was enthusiastically discussed. It was decided to hold a thrift sale and tea in the near future, the proceeds to be given to the health centre. The secretary reported that a prize had been won at the exhibition, and a check had been received for the same. The institute is going to help the Victorian Order of Nurses in carrying out their tag day, and Mrs. Mulcahy was made convener of Wellington ward.

IMPERIAL GIVES A REGULAR JOLT

"Manslaughter" Thunders
Terrible Warning to Gay and Giddy Youth.

Attesting in every scene to the genius of Cecil B. De Mille as one of the foremost motion picture producers in the world, "Manslaughter," his latest production, is a picture de luxe at the Imperial this week. It is one of those massive, splendid, beautiful cinema creations for which Mr. De Mille is distinguished, and the superlative qualities of "Joan the Woman," "Male and Female," and other of his achievements, are abundantly displayed in "Manslaughter."

In brief "Manslaughter" is one of the most pretentious picture productions with which the name of De Mille has been associated as a producer, and that it proves to be a magnet of undeniable charm and attractiveness.

Lydia Thorne, a capricious wealthy girl, while speeding in her automobile, causes the death of a motor policeman, and is prosecuted by Dan O'Bannon, a district attorney, who loves her. O'Bannon is shocked by the guilty of modern society and mentally paints a picture of the downfall of Rome. This tremendous epoch is shown in all its splendor, O'Bannon impersonating a gladiator of Goth, and Lydia the most beautiful and profligate woman in Rome. Lydia's conviction of manslaughter through O'Bannon's efforts, and her sentence to a term in prison, engenders in her a hatred for him and she attacks him and collapses. In her delirium she fancies she has shot O'Bannon in the courtroom and when she recovers, she realizes that she loves him devotedly.

But O'Bannon, in remorse, dissipates, neglects his duties and gradually sinks into the depths. After her release she engages in humanitarian work and with snow, enters a coffee kitchen where she has established and recouping her losses and when O'Bannon calls on her in the prison, she attacks him and collapses. In her delirium she fancies she has shot O'Bannon in the courtroom and when she recovers, she realizes that she loves him devotedly.

"Manslaughter" is the attraction at the Imperial again today.

SEVERE ITCHING BURNING PIMPLES

Over Face and Neck. Face Disfigured. Cuticura Heals.

"My trouble began with a rash which later turned to pimples. The pimples were quite large and of a reddish color, and were scattered all over my face, neck and forehead. The itching and burning were so severe that I could not sleep at night. My face was disfigured for about a year."

"The trouble lasted about a year before I began using Cuticura Soap and Ointment. They afforded relief within two weeks, and at the end of six weeks I was healed." (Signed) Clarence J. Burnell, 474 Tyler St., Pittsfield, Mass., Jan. 4, 1921.

RED CROSS WORK IN PEACE TIME

Bringing an irresistible plea for whole-hearted support of the peace policy of the Red Cross Society, Mrs. G. A. Kuhring, the war-time president of the St. John Women's Canadian Club, was given a royal reception by the members of the club last night, when she addressed it at its meeting in St. Andrew's church hall. Mrs. W. Edmond Raymond, the president of the club, was in the chair, and the meeting was one of the largest held for some time. Mrs. Raymond gave an interesting account of the annual meeting of the Association of Canadian Clubs in Hamilton, which she had attended. A short business session was held before the address of the evening, and at the close refreshments were served and a social hour enjoyed. Mrs. Kuhring illustrated her appeal for the Red Cross by showing a splendid series of slides of the Red Cross at work in New Brunswick.

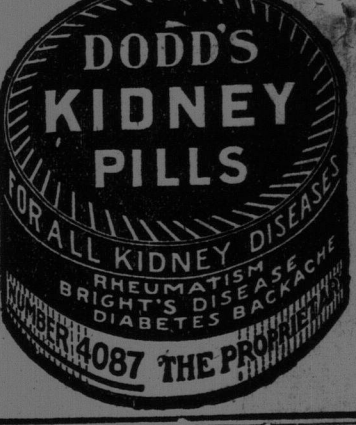

In the business session Mrs. G. MacDonald, the secretary, read an account of the transactions of the executive during the summer. Miss A. Tingey, treasurer, reported a balance of \$85. Miss K. Bell, corresponding secretary, read communications.

A. Machum, secretary of the G. W. V. A., wrote to ask the club to cooperate in selling poppies on Armistice day anniversary. The meeting was in favor of supporting this undertaking, and Mrs. T. H. Carter was appointed to represent the club in arranging for the sale of poppies.

The following nominating committee was appointed to draw up a slate of officers for the next year: Mrs. B. Peck, convener, Mrs. W. F. Lugden, Mrs. H. A. Powell, Mrs. C. B. Allan, Miss Mabel Gilbert, Miss A. Tingey and Mrs. H. A. Vanwart.

HEARS EXCELLENT REPORTS FROM THE CONVENTION

Brunswick Chapter of the Imperial Order of the Daughters of the Empire held its monthly meeting yesterday afternoon at the residence of Mrs. W. I. Fenton, with the regent, Mrs. Herbert Wetmore, presiding. The chapter heard of much good accomplished and planned for future activities with much enthusiasm. Financial support of the Victorian Order of Nurses was voted by the meeting. The reports of the various committees all showed that work was being carried on with excellent results. It was decided to continue the monthly contribution of \$10 to the Victorian Order of Nurses and to supplement that support by a subscription of \$25 towards the Tag Day of the V. O. N. this week. The chapter also voted to send its appreciation to the municipal chapter funds. Plans for the

Halloween tea and sale, which is a big event in the chapter's year, occupied some time.

Mrs. Cortland Robinson, the chapter's delegate to the meeting of the national chapter in Vancouver, gave an interesting report of the convention. Mrs. Robinson's account of the national chapter's meeting was an inspiration to all who heard it, and at the close of her report a hearty vote of thanks was extended to Mrs. Robinson. A social hour followed the business meeting and the hostesses for tea were Mrs. Herbert Wetmore, Mrs. F. G. Goodspeed and Mrs. W. I. Fenton.

A Test Proves It

Easy Starting—Powerful—Economical—The New Imperial Premier Gasoline meets every Requirement of Automobile and Motor Boat Engines.

Before the new Imperial Premier Gasoline was ever offered for sale in the Maritime Provinces, it had passed most exacting tests in our refinery laboratories at Imperoyal. It remained, however, for automobile and motorboat users to make the final test as to its actual performance in their engines. The results have proved conclusively that the new Imperial Premier Gasoline is a superior motor fuel from every standpoint.

You will find that the new Imperial Premier Gasoline starts even more quickly than Queen Gasoline which some owners have been using in spite of the fact that it was manufactured primarily for use in lighting plants and was never intended as a fuel for engines.

You will also find the new Imperial Premier superior to Queen or similar gasolines in every other way—pick-

up, power, mileage, economy and dependability. Believing, as we do, that this is the best gasoline we can make, we have discontinued the manufacture of all other grades.

You owe it to yourself to make a test of this new gasoline which is made right here at home. If it proves satisfactory (as we are positive it will) you can save from 3 to 5 cents a gallon over gasolines which will not give anything like the same results.

The proper way to make a test—Have your carburetor adjusted to use this new gasoline—then use it exclusively—and you will be able to operate your engine on a lean mixture and not only save gasoline but avoid operating troubles which often result from faulty fuel.

The new Premier Gasoline is obtainable everywhere in the Maritime Provinces—at the Red Ball Sign.
