MARATHONS TRIM BORDER TEAM 5 TO 4

Maine and New Brunswick League. Won. Lost. P.C. Fredericton 7 3 .700 St. John 5 4 .559 St. Croix 4 1 .800 Bangor 11 11 .500

The Marathons were victorious yesterday in a fast and interesting ten-inning game against the St. Croix team in Calais. The game ended 5 to 4.

Lee was on the mound for the border team and was found for a total of fifteen hits, the largest number of safe ones that have been registered in a game in this league this season. Woodbury pitched for the Greeks and although he was hit safely twelve times, the swats were scattered.

The Marathons started the tally in the first when they scored three runs. Vance missed O'Brien's fly, Little walked, Black sacrificed, advancing O'Brien to third and Little to second. Watt singled scoring O'Brien and Little. Watt singled second and scored on Waterhouse's single. Riley went out stealing. They got one more run in the second and tallied the last winning run in the tenth.

St. Croix made one in the third, sixth, seventh and eighth, tying the score. The ninth was scoreless, although both teams worked hard to drive in the winning run. In the tenth Black fled, Watt and Blen both singled, Watt going to third. Waterhouse fled out to left and Watt scored on the throw in. This ended the scoring. Woodbury then settled down and held the border boys from scoring in the last session.

SPORT NEWS OF A DAY, HOME AND ABROAD

Notes of the Game. Watt had a great day yesterday. Fifteen put outs, two hits and two runs is certainly playing the game. His work on the bases also was big league style.

Our boys got it down to one lonely error yesterday. Much better, but we are still waiting for that errorless game.

Bangor is still left with one game and their percentage is rapidly shrinking. They need a lot of new blood yet.

Fredericton 6, Bangor 2. Bangor went down to defeat before the Pets yesterday in Fredericton by a score of 6 to 2. The game was listless, Bangor players giving their pitcher, Blackbird, poor support.

The Clippers defeated the Cubs in a fast game on the Marley diamond last evening, 11 to 8. Batteries—Cullinan and Kane; Foster and Mahoney.

A meeting of the executive of the Fairville league was held Monday evening, when the standing was figured out and the schedule for the second series drawn up. The standing is as follows:

Score by innings: Fredericton 0 0 0 0 0 0 0 0 0 0 6. Bangor 0 0 0 0 0 0 0 0 0 0 2. Summary—Sacrifice hits, Flynn, Sullivan, Murphy, Ahearn and Blackbird. BASEBALL EAST END LEAGUE

The Nationals defeated the Alerts in a fast game in the East End League last evening by score of 5 to 3. The playing was good on both sides and both pitchers were effective.

In the City League on the Marathons grounds last evening the St. Peters won from the Rocklands, 9 to 2. Dever and Dever were doing the honors for the Saints, and Elliott, Hanson and Cunningham formed the battery for the Rocklands.

The Clippers defeated the Cubs in a fast game on the Marley diamond last evening, 11 to 8. Batteries—Cullinan and Kane; Foster and Mahoney.

Diamond Sparks. Falkenberg of the Indians has won ten games this year, which is the record of both leagues. Grover Cleveland Alexander of the Phillies should not be overlooked, however. He has won eight games and has not been beaten this season.

The New York Giants stand as the leading team in the National League so far this year. They already have more than eighty to their credit and should touch the 100 mark before their western trip is completed.

Joe Wood had a great time at Exeter Saturday where he enjoyed seeing Anver and Exeter. It was a great treat to the schoolboys to have the "smoky" one with them, and Joe himself got a real taste of umpiring on the bases.

Maybe Joe will follow the footsteps of Hank O'Day and Bill Dimes, two high-class pitchers who once stood in the front rank among the indicator men. The St. Louis Browns will follow the Cleveland Indians at Fenway Park, Boston, on Thursday.

THE RIFLE. Captain Brewer Dead. Hammon, N. Y., June 10—Captain John S. Brewer, at one time champion wing shot of the world, was found dead in the morning of his lodgings in this place. The news of what caused his death is not known of one of his hunting dogs.

THE TURF. J. Clifford Stevens, of Hopewell Hill, has been negotiating for the purchase of the standard bred trotting stallion, Adlet, 2:08, and left yesterday for Bowmanville, Ont., to complete the purchase. The price is said to be in the vicinity of \$10,000.

Given \$500 to Jockey's Widow. New York, June 10—Joseph E. Widener gave \$500 to a subscription being raised for the widow of James Lynch, a jockey who was killed by a fall while riding Mr. Widener's Exemplar in a steeplechase at Piping Rock. In addition he has agreed to defray all expenses for the funeral of the game little rider. Owners, trainers and jockeys have subscribed liberally and it is probable that a considerable amount will be given to the widow.

THE RING. Kid Boutas vs. Jim Kendrick, Baltimore. Gus Platts vs. Marcel Thomas, New York. Mike Schreck vs. Bill Sparks, Cincinnati.

Boxing Notes. Plans are afoot for the opening of another club in Boston this fall, probably soon after Labor Day. It is the plan of the new organization not to devote its entire attention to boxing, but to run wrestling contests as well.

JOHN KILBANE, the featherweight champion, has cancelled his bout with Jimmy Walsh, scheduled for July 4 in Cincinnati, O.

CROOKS RUNNING AGAIN

Ted Crooks, a veteran United States runner who is back in the game after a three years absence.

Boston, June 11—While walking in his sleep, Joseph H. Lee, aged 28, of 841 Eagle street, East Boston, fell out of the third story of the Mulholland boarding house, 34 Temple street and received severe muscle bruises and perhaps internal injuries.

That he was not instantly killed by the fall the height of which is about thirty feet, is due to the fact that he fell from the window to the roof of the ell and from there onto a three-inch plank that was laid from the top step of the back door to the sidewalk driveway thus affording a spring that broke the fall.

Rural workers in various parts of England are adding to their incomes by catching moles for their skins. As much as \$1 a skin is being paid in Herefordshire.

The skipper of the Barbara II declared that he had encountered northeast winds during the entire voyage from Philadelphia. He estimated that the boat had lost two hours owing to the course taken being too much to the east.

The Barbara II apparently had not suffered any damage during the race and there had been no casualties on board. Up to 7:30 nothing had been heard of the Dream or the Tocsan, the first of which has an allowance of 16 hours, 44 minutes, 30 seconds and the second an allowance of 18 hours, 6 minutes, 30 seconds.
