Talk of Introducing Whippet Racing—"Made in Saint John" Promises Much.

At a meeting of the directors of the Saint John Exhibition Association last evening in the offices at the grounds, the reports submitted were declared of most encouraging nature and showed that the success of the show, from the standpoint of exhibits, was assured.

In the absence of the president and vice-presidents, the chair was occupied by Commissioner Wigmore. The committee on amusements reported that the programme was complete and patrons of the show could be assured of the best programme yet prepared for their pleasure.

SPORTS EXHIBIT.

The committee on the "Championship" exhibit reported that they had been assured of the co-operation of the sport followers of the city and arrangements will be made to exhibit the trophies won by the various notable athletes of the city.

For the Made-in-Saint John exhibit of the available space had been taken up and plans were under way to make this the feature of the show. The entire machinery hall floor will be given over to this feature this year, and the layout has been changed to give the people a better opportunity to study the exhibits. There will also be several process exhibits in this department.

Plans have also been made for an improved dairy exhibit this year. The demonstration of last year will be repeated and there will be included exhibits of allied interests to show visitors to the fair the importance of dairying to the province. Connected with the dairy exhibit this year will be a demonstration from Ottawa dealing with food values.

FINED FOR HAVING 'STILL IN HOUSE

Penalty of \$200 Imposed on Thomas Connell in Cranston Avenue Case.

Thomas Connell, aged 68, was fined \$200 or six months in jail by Magistrate Henderson in the police court this morning after he pleaded guilty to a charge of violating the Excise Act. The aged man, who resides with his brother, almost as old as he is, at 86 Cranston avenue, was paid a visit by Dominion excise officers, Alex. Crawford and J. W. Murphy, along with Sub-Inspectors Armstrong and Belve yesterday and as a result of a search made by them two small private stills and other articles used for distilling were found.

In one room, the officers found a new tin boiler and a new tin wash pan that they said had been used recently in manufacturing liquor while in another part of the house they located a five-gallon can with spout, lead coils and a large wooden ice cream freezer. In a barn adjoining the house, the officers found about a bushel of mash, consisting of oats, prunes, raisins and corn.

PLEA DENIED.

In entering his plea, the defendant said that if allowed to go home he would not commit the offence again. His Honor said it was a pity that a man of his age should appear before him on such a charge, but he could not let him go scot free and would therefore impose the minimum penalty.

Prentice Boys Choose Wm. H. Price as New Grand Master

Other Officers Elected, and Installation This Morning—Session Ended.

The Grand Lodge of the Protestant Protective Association of Prentice Boys of British North America concluded its meetings here at 1 o'clock today to meet next year in Ottawa. The new grand master, William H. Price of West Saint John, was installed this morning by Past Grand Master Bannan of Toronto, and then took charge of the installation of the other officers. In addition to those elected last night, the following were chosen at this morning's session.

A. G. Chipman of Ottawa, district deputy grand master for No. 19 district, Ottawa.

W. Capson, D. G. M. for No. 10 district, Marysville, N. B.

William Bain of Union Jack Lodge, No. 35, D. D. G. M. for No. 13 district, Saint John.

All the retiring and new officers made addresses. The finances of the Grand Lodge were reported in excellent condition.

This afternoon the delegates were being given an auto drive and a lobster supper at Taylor's Island, near the city, and this evening there will be an open meeting and a social time to close the proceedings.

W. H. PRICE CHOSEN.

William H. Price, of West Saint John, was elected to the position of Grand Master of the Protestant Protective Association of the 'Prentice Boys of British North America' yesterday at the evening session of the 86th annual meeting of the Grand Lodge, convening in 'Prentice Boys' Hall, West Saint John.

Mayor Potts gave the civic address of welcome at the evening session. Past Grand Master R. J. Anderson conducted the elections.

The reports submitted showed a splendid financial statement and a substantial increase in members.

OFFICERS ELECTED.

The officers elected were as follows: Grand Master, William H. Price, Saint John; Senior Deputy Grand Master, J. P. Brien, Ottawa; Junior Deputy Grand Master, A. L. Belyea, West Saint John; Grand Chaplain, W. J. Willison, Toronto; Grand Secretary, C. O. Brickman, Belleville, Ont.; Assistant Grand Secretary, P. Nichol, Saint John; Grand Treasurer, H. H. NEW GRAND MASTER

W. H. Price, who was yesterday elected Grand Master of the Protestant Protective Association of the 'Prentice Boys of North America,' has been actively connected with the organization for the last 22 years and has been one of the leading workers of Kipp Edward Lodge, No. 30 during that period.

He was one of the charter members of King Edward lodge and has accepted the mantle of leadership in the gift of the lodge, and has twice been placed in the master's chair by his fellow members.

When the work of erecting their hall in Gullford street was undertaken Mr. Price was one of the men who worked hard to make the effort a success and the present standing of the lodge is regarded as being due in no small measure to his labor. He has represented the lodge at many sessions of the grand lodge and has been honored with many grand lodge offices previous to being chosen head of the order yesterday.

Fifth Annual Convention of Young Judea to be Held in Ottawa Soon.

First announcement of the fifth annual convention of Young Judea—the League of the Zionist Youth of Canada—which will be held in Ottawa on June 26, 27, 28 and 29, has attracted the attention of hundreds of Young Judeans and others interested in the organization of the Jewish youth of the country. An announcement by the Zionist Organization of Canada says: "For the first time since its inception, this organization has had the advantage of a paid executive and there is a considerable interest in the annual report of the executive director, which will show to what extent he has been able to carry out the plans formulated.

"Young Judea has grown considerably in the last year. There now appear on the books of Young Judea more than 250 leaders and workers, a considerable increase. The membership of the clubs is now in excess of 5,000, making Young Judea the largest of the Jewish youth organizations in Canada a position which it has occupied since its inception several years ago.

"Young Judea during the past year made a special contribution to the rebuilding of the Jewish homeland. The organization has always been primarily interested in Palestinian reconstruction, but it has never previously participated so actively in its rebuilding.
