The Big Value in  
**FLOUR**

IN making tea biscuits  
and pastry, there is no  
flour that gives better satis-  
faction than "REGAL".  
Biscuit makers consider  
"REGAL" the BIG VALUE  
in flour.

**Two sappers were sent out one night  
to repair a telephone wire, broken in sev-  
eral places by shell-fire. All day long  
the German guns had been searching the  
rear of a small hill, and by evening the  
place was a wilderness of yellow clay,  
pocked by shell holes.**

**There was no moon, and heavy clouds  
had blotted out the stars. In a darkness  
that could be felt the sappers shouldered  
their tools and supplies, and using a tiny  
battery-lamp at infrequent intervals,  
picked their way to the place designated  
in orders.**

**German registration was excellent, and  
from time to time shells came over. The  
other remained to complete a connection. A  
long while in the air above him was fol-  
lowed by an explosion, and an iron shrap-

## BE SUSPICIOUS OF TENDER GUMS

Be suspicious of any tenderness or  
bleeding of the gums. This is usually  
the first stage of Pyorrhea—an in-  
sidious disease of the gums that de-  
stroys the teeth and undermines  
bodily health.

Gradually the gums become spongy.  
They inflame, then shrink, thus ex-  
posing the unarmoured tooth-base  
to the ravages of decay. Tiny open-  
ings in the gum form gateways for  
disease germs to enter the system.

Medical science has traced many ills  
to these infecting germs in the gums  
swollen by Pyorrhea.

They are now known to be a fre-  
quent cause of indigestion, anaemia,  
rheumatism and other serious con-  
ditions.

So watch carefully for that first  
tenderness or bleeding of the gums.  
Try Forhan's immediately. It pos-  
itively prevents Pyorrhea (Gum Dis-  
ease) if used in time and used con-  
sistently.

And in preventing Pyorrhea—it  
guards against other ills.

Forhan's (For the Gums) cleans  
teeth scientifically as well. Brush  
your teeth with it. It keeps the teeth  
white and clean.

If gum-irritation has already set in  
start using Forhan's and consult a  
dentist immediately for special treat-  
ment.

The citizen is asked to lend his money,  
not to give it. The guarantee behind the  
Victory Bonds now offered for pub-  
lic sale is perfect. The government pays  
interest on the loan at the rate of 4 1/2  
percent. No sacrifice of self or of money  
is demanded. The economic position of  
the lender is even made better by the re-  
quisition of these bonds.

The sapper in a crisis gave all freely  
for the safety of Canada. The Canadian  
civilian is merely asked to lend freely  
for the joint advantage of himself and  
the nation. What right-thinking man  
can refuse?

## LOOKING FOR DEVELOPMENTS IN REFINERY STRIKE

Up to noon today there was no change  
in the Atlantic Sugar Refinery employ-  
ment situation. No answer had been  
received regarding their proposition to  
have the matter settled by a board of  
arbitration, but it was expected some-  
word would be received during the day.  
Mr. O'Grady, the general manager of  
the company, arrived in the city on the  
noon train from Montreal and although  
he had nothing new to announce in the  
matter, some developments are looked for  
in the near future.

## TWIN BABIES FOUND DEAD.

Malden, Oct. 6.—The bodies of twin  
babies were found this morning in the  
Sauge Branch Creek off Charles street.  
The discovery was made by John Doyle,  
who conducts a blacksmith shop on  
Charles street.

The police believe the bodies were  
placed in the creek after the tide had gone  
out. The remains were removed to  
Ward's undertaking rooms and Medical  
Examiner McCaffrey of Somerville noti-  
fied.

The police are making an investiga-  
tion to discover who placed the bodies in
