BY-LAW MATTERS.

He said it was a new car and he had not had time to get it fixed. He explained this to a policeman and was told to go home carefully but was reported by another policeman later. His explanation was accepted.

W. A. Simonds was notified relative to a like matter. He said he was not in his car at the time. His son said that when putting on his dimmers he must have pulled out the button that shut off his rear light but this was not done intentionally. This was accepted.

SETTLED BY THE GRAND LODGE.
Announcement in Protestant Memorial Home Case in Chancery.
Before His Honor Judge Chandler in the Chancery Court this morning a case arising out of matters in connection with the establishment of the Protestant Memorial Home was dismissed as it was shown to the court to have been settled at the sessions of the Grand Orange Lodge in Woodstock a few weeks ago. George A. Blair was the plaintiff and L. A. Palmer, Robert Willis and N. C. Morrison, defendants. The plaintiff asked for a declaration by the court that the sum of \$1,000 voted to the St. John Protestant Orange Lodge by a committee of which he alleged the defendants were members was illegal and ultra vires as he alleged it had been taken from a memorial fund; that such payment was a misapplication of an illegal diversion of said money and trust fund; and for an injunction restraining the defendants from voting any more money from such trust memorial fund. He was represented by J. P. H. Teed and Hon. J. B. Teed, K.C., appeared for the defence.

The defence contended that the plaintiff was not entitled to bring action because of a want of interest in the subject matter in question and as he was not a member of the Grand Orange Lodge and if a member he had not applied to said grand lodge to commence proceedings. The defence urged that the action complained of was not illegal or ultra vires of the Grand Orange Lodge.
The matter was dismissed on its being shown to the court that it had been settled within the order at the recent grand lodge sessions.

MAY BRIDES.
Armstrong-Merritt.
A quiet wedding was solemnized this morning at six o'clock in Main street Baptist church, when Rev. Dr. Hutchinson united in marriage Gordon C. Armstrong and E. Pearl Merritt, both of this city. The bride was given away by her brother, A. Stanley Merritt, and wore a navy blue suit with hat to match and seal cape and carried a bouquet of American Beauty roses. The groom is an employee of the C. N. R. After a short honeymoon trip they will reside at 254 Main street.
Kelly-Nichol.
The Cathedral of the Immaculate Conception this morning was the scene of a very pretty wedding when Alphonse Kelly was united in marriage to Miss Nellie Nichol by Rev. Simon Oram. Arthur S. Gadsby presided at the organ and on the entrance of the bride played Lebegren's Bridal March; during the offertory "The Voice that Breathed O'er Eden," and on the bridal party leaving the church, Mendelssohn's Wedding March.

The popularity of the young people was shown by the numerous wedding presents, which included handsome pieces of cut glass and silverware received not only from friends in St. John, but from the United States and upper Canada. The groom's gift was a very substantial check.
The bride, who was attired in a neat travelling suit of blue serge, was given away by her brother, Joseph Nichol. The bridesmaid was Miss Florence Kelly, a sister of the groom. Both bride and bridesmaid carried beautiful bouquets of carnations. The groom was supported by T. LeRoque. Mr. and Mrs. Kelly left on the early train for Montreal, Ottawa and Toronto.

PUBLIC MUCH IN THE AIR OVER THE NEW TAXES

Many Not Sure When to Start Collections — Customs Entries Will Be Received Subject to Amendment — No Instructions as to Collection by Inland Revenue Department.

The public seems to be generally at sea with regard to the application of the new tax rates, outlined in the budget which was brought down at Ottawa yesterday and is effective today. In fact the daylight time tangle fades into insignificance alongside the chaos which met the prospective purchaser in some of the city stores this morning.

Some of the retailers have already put into effect the new legislation; others decline to do so until they get official word that the taxes are to be levied while a third party—and they seemed to be in the great majority—do not seem to be able to decide just what to do. Regarding the discontinuance of the 7½ per cent surtax on imported goods, C. B. Lockhart, collector of customs, said this morning that he had received instructions from Ottawa to continue the collection of this tax, but to make all entries subject to amendment. He interpreted this to mean that the tax so collected might be refunded later.

In connection with the collection of luxury and other taxes by retailers, the collector said that the passing of the budget would make the enforcement retroactive to this date and if retailers failed to collect the amount of the surtax from purchasers, they might be called upon to pay this amount out of their own pockets.

Several questions in connection with the new taxes have arisen. As the standing of the manufacturer and the retailer are covered by separate sections, a retailer in the city, who is also a manufacturer, asks where he fits in the general scheme.

Another says that the tax is payable in some cases by the manufacturer and in others by the retailer. He asks how a retailer is to determine whether to collect the added amount or not.

At all events, the general public realizes that it is the consumer who will pay in the end, and it is expected that until the law becomes more universally understood there is bound to be a great deal of confusion.

The inland revenue department have so far received no instructions as to the collection of the taxes.

GO AT IT WITH WILL THIS YEAR

Clean-Up Days Next Week — Boy Scouts to Distribute Notices.

Toward the latter part of this week the Boy Scouts of the city will again jump into public service by delivering to the householders the printed notices and plan relative to clean-up days next week. Each troop of Scouts will deliver notices to its own territory and there are enough troops fully to cover the city. It is felt that all St. John needs to make its annual clean-up thoroughly successful is information. The notices to be handed to householders will contain this instruction in the form of an earnest request for co-operation. There is, in the provisions in the health act and civic by-laws as well as the penal code, for persons who allow their premises to become a menace to public health, but no body in authority wants to believe that these legal resources will have to be drawn upon to make clean-up days a success.

Mayor Schofield, the commissioners, the officials of the board of health, the police and civic court officials, all believe St. John people will this year carry on a real enthusiastic clean-up campaign. Past years have been only partially successful in this direction because funds and vigor were somewhat lacking, but now the town seems to be alive to the situation. The city is to be the meeting place for important conventions this summer and will be visited by large bodies from United States and overseas, which is going to prove an added incentive in "cleaning house." The public is asked to remember that rubbish, garbage, etc., should be sorted as much as possible, for some of it is going to be burned, some of it dumped into regular dumping holes while other is to be used in building up the new recreation grounds in Rockwood Park and in West St. John. Good, dry, dustless cinders will be utilized for this work. Barrels and other receptacles should be placed in the street for the teams to collect them before the morning of the 26th, next Wednesday.

Mayor Schofield and the commissioners have arranged to have streets flushed by the fire department at regular intervals and other up-to-date cleaning methods employed this summer, so it looks as if St. John is on its way to be at least brighter and better, which in course of time will naturally make it bigger.

ORGANIZED LABOR DOES NOT APPROVE

Fred A. Campbell, president of the Trades and Labor Council, informed the Times this morning that organized labor in St. John had nothing to do with providing a hall or raising funds for the Winnipeg strike leaders who are coming here.

Mr. Campbell said he had expressed his views very plainly at a meeting held last evening. He was not at all in favor of extending a welcome to men who led the strike in Winnipeg.

TO LEPREUX.

The following members of the provincial government left this morning in motor cars to visit the site of the proposed water power at Lepreux: Premier Foster, Hon. J. P. Byrne, Hon. Dr. Smith, Hon. F. J. Veniot, Hon. Robert Murray, Hon. C. W. Robinson, Hon. J. F. Tweeddale, with Fred Magee and Frank J. Sweeney, members for Westmoreland county.

Robbing The Moth of His Daily Bread!
Her spring suit is in just as good condition as when last fall she packed it away in her new moth proof cedar chest.
What a Contrast to Last Spring!
Before she owned the cedar chest she had a dreadful experience.
She put away her suit the fall before in her trunk, wrapping it with newspapers, because she had been told that they kept out the moths.
But they didn't!
When she opened the trunk in the spring, that suit looked like a tea strainer. But she had learned her lesson.
When she bought the new suit, she also bought a new cedar chest,—and she hasn't seen a moth from that day to this, and isn't likely to, either.
