The price of deals on the other side has not advanced, and as a consequence there is no demand are in Europe and the money is deposited for tonuage, and very few, if any, charters in their name. It is also reported that have been effected. We hear that a lead the steamship Eider will intercept the ing shipper here offered 50s. for a large new steamer Dessalines when put under ship now due, but that her owners, rather Haytien colors. The Eider is reported to than accept such a small figure, have ordered her to a Southern port. Bark "Alsshoal water service. buera," at present undergoing some recan be advantageously used. There are pairs at this port, has accepted an engagement to load lumber at Calais for River

the shield and armor of his political opponent without mercy, but sit down the mext moment with him as a friend and fellow citizen in the most intimate, friendly and genial personal intercourse.

If om the ocean in the east to the ocean in the west. His Lordship concluded a splendid speech by giving wholesome out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight. But I have no desire to gublic Mr. Venning ought to hide them out of sight and hideous an

In this quality he displayed the breadth and speculation. He hoped that all Anything I have done was purely official, money to spend. Then they can buy cot- satisfaction to all, until about three of mind and generosity of nature which gained for him so many friends wherever of making this a God-fearing and law-be was known and sendered the one shiding pation. Other prominent Can-interview with Mr. Harrison, but that ed. Why not adopt the plan that has nouncement of his death the saddest adian gentlemen subsequently made father, a jovial companion, a warm friend, stern when required to be, lenient when possible,-the good old Sheriff's memory will long linger in the hearts of the people of this county. -Picton News.

A "Puffing" Bureau.

The meeting was composed of both Liberals and Tories, but they got along harmoniously. They first passed a resolution affirming that the election was to lateral superintendent of Dominion issues 13,150 harmoniously and construction and the position of General Superintendent of the Exhibition of General Superintendent of the position of General Superintendent of the position of General Superintendent of the position of General Superintendent of the Exhibition Buildings and grounds during the holding of the Exhibition Buildings and grounds during the holding of the Exhibition Buildings and grounds during the holding of the Exhibition Buildings and grounds during the holding of the Exhibition Buildings and grounds during the holding of the Exhibition and pulled his coat off to thrash a Miramichi man, of cheese in Canada. Why the surplus can be exported to markets the surplus can be exported to markets and the position of General Superintendent of the Exhibition Buildings and grounds during the holding of the Exhibition and convergence of the Exhib the refusal of his demand would cause, it has been allowed by the Commission. Inspector, who was obliged to tell some surplus can be experted to markets where the demand is unlimited. But the lished an editorial puffery bureau for the use of their organs. Yesterday morning Mr. Inches undertakes too much. He queer stories about his black eyes and the it costs more to make it in Canada than it the local Ministerial paper published an is remarkably anxious always to secure the personal supremacy of Mr. Julius

LEVELLING Down.—An Ottawa despatch to the Telegraph says it is stited to the Telegraph says it is stited would be for some people to quit making cotton and go to making cheese—exchange its administration and that it offers a nunprofitable for a profitable employment—let Canadian labour find its employment find it characteristics of cranks, the Inspector ployment in those lines of production in dose their readers with a half-column puff for New Brunswick would have been which Canada cannot be excelled. There of Sir Charles Tupper. The Gazette, not superanuated or dismissed long ago. In would be just as much employment in being an admirer of the Knight of Carillon, England they put more sane men than 1. Canada, and the wages would be quite as in the Lunatic asylums.

Would be just as inded emphyment in being an admirer of the Runght of Canada, and the wages would be quite as suppressed that portion of the ready-made high, if every cotton factory was closed, article. And the journals which make and we exported cheese to pay for all the such an exhibition of servility to Governopinion. The Tilley interview of a few days ago was made to order and appeared

simultaneously in all the Tory papers.
The same is true of the nauseating
