Miramichi Advance.

CHATHAM, N. B., . - - MARCH 31, 1892.

Order ! Gentlemen. A very small number of our representatives at Fredericton, appear to be quite successfully engaged in besmirchrents who have given German Syrup ing the reputation of the leigislato their children in the emergencies | turo. It has become the fashion with of Croup. You will credit these, them, when referring to each other in stantial people, happy in finding what so many families lack—a medicine containing no evil drug, which icine containing no evil drug, which debate, to employ language which icine containing no evil drug, which mother can administer with confidence to the little ones in their most critical hours, safe and sure that it will carry them through.

E.D. L. WILLITS, of Mrs. J.As.W. K.E.K. Miss., No. I give it to my children when troubled with Croup and never saw only children when and never saw only continuous and perparation act like most of unity intended in all the relationships of life, save in politics and educational advantages of which it it is simply mirraculous.

Fully one-half of our customers are mothers who use Boschee's Germent with the same intended and the courts, where the sections of an important province, and bears a little resemblance to the aggressive; as a politician, able, aggressive; as a politi transact as they, themselves, choose to ington has shown himself to be one of man. It said :call !

Intrusion of their constituents—leave nothing to be complained of, nothing to be complained of, nothing to be desired in the way of proper even generous treatment and refining out friends to generous treatment and refining out friends to thought and the plant of their constituents—leave nothing to be desired in the way of proper even generous treatment and refining out friends to thought a feet as spearate plan of confinement of conficence when the plant of their constituents—leave nothing to be desired in the way of proper even generous treatment and refining out friends to thought a feet as spearate plan of confinement of confinement in fight, volutured a little to make the way of proper even generous treatment and refining out friends to the good of the decired some assistance to his party. He, towers, in his intene anxiety to the configuration of the string out friends to the configuration of gentleman. Those whose commission the members hold, have the right to expect that however eager may be the contentions between the respective and his pay position, comes to him at a paper which is run by a Chatham "Atkinson" that called it the "literary scavenger of the North Shore," while the St. John Globe had referred to it as "a poacher on and his pay position comes to him at parties, they will maintain their dignity as representatives of intelligent christian citizens, and realize that a enough of political experience to lead estimation of Mr. Phinney and the Re-UNPRECIDENTED ATTRACTION representative who employs coarse of the country picture nor his political prowess can be legislature, is unfit for so responsible and respectable a position. Wit may have its sallies and good-natared bad-they will be more successfully exer-stituents by his organ's reference to this paper and last summer's Kent election inage its place in the Assembly, but the cised, if not better appreciated than campaign. When Mr. Phinney—during man who is incapable of distinguishing they have been in the Assembly. Incorporated by the Legislature for Educational and Charitable purposes, and its franchise made a part of the present State constitution, in 1879, by of offensive personal allusions and

"The Chatham Advance, in opposing the appointment of Hon. Peter Mitchell to the lieutenant governorship of this province, lays some stress on the point that the office lays some stress on the point that no protocol of the lobster fishermen, is the negotiations at Washington had been laid layer.

Statistics of the Springhill mines.

Cumberland Co., N. S., convey an idea when the statements made by the statements made by the statements made by the layer of the statement in the companied that no protocol of the some layer of the statement in the lobster fishermen, is the negotiations at Washington had been laid upon that table. The statements made by the layer of the statement in the statement in the line companied that no protocol of the statement in the statement appointment of Hon. Peter Mitchell to the leader. He didn't even want to associate too closely with the six St. John men which he condemned, but as the other street two statements, both of which are absolutely incorrect.
