YALE VS. HARVARD. Holder Will Represent Blue in Contest With Sweetser of Cambridge. Philadelphia, Pa., Sept. 9.--Cambridge A. Holder, of Yale and A. H. Sweetser, of Harvard, today won their way to the final round in singles in the intercollegiate championship lawn tennis tournament at the Merton cricket club. The feature in the doubles was the victory of J. D. Mathey and Dell, of Princeton, over Sweetser and W. Fraser Campbell, of Harvard, which saved the championship cup for competition another year. Mathey and Dell will meet tomorrow in the finals. H. Evans and F. Goodhue, of Yale, who came through by defeating G. C. Thomas, Jr. and S. Raleigh, of Princeton.

Charter Oak Park, Hartford, Conn., Sept. 8.--Sensational horse racing brought to a close today, the grand circuit meet held in connection with the Connecticut State fair at Charter Oak Park. Union won an exhibition mile to wagon in 2:14, which is near a world's record for exhibition mile. The other feature was the breaking of the track record by The Harvester in the free for all trot. The track events were the finest of the week. The Harvester won in straight heats, the time in the second and final heats being 2:03, which broke the track record of 2:04-3/4, made by Hamburg Belle. This race was a walk over for the Harvester. The second honors went to Bob Douglas. It was a two in three event, and apart from the performance of The Harvester, was uninteresting. The honors in the 2:16 pace and the 2:16 trot went in straight heats to Sara Ann Patch, and Daddis Archdale. The first heat of the 2:17 trot was won by Senator Hale in a close finish. Rebecca G. Took, the second, and the two winners fought it out alone in the final heat, as it was a two in three event. In the final heat the horses kept close well into the stretch when Senator Hale became fagged, and finished a poor second flight this afternoon, with a strong wind swept over the field. Canadian Horse Wins. Hills Grove, R. I., Sept. 9.--In the fastest four heat race ever paced over the track, St. Anthony, the fleet son of Bourbon Patchen, owned by Lew Martin of Kingston, Ontario, captured the last three heats and the race after Thoughtful stole away to a good start and landed the opening heat, each heat was hotly contested and in the third heat Thoughtful and X-Ray pushed the gelding so hard that Burnham was forced to lift his gelding under the wire in 2:01 3/4, giving him a new mark. Dillon Maid, the willing daughter of Baron Dillon, put up one of the gamest exhibitions witnessed in many years, when she won the 2:24 trot on three legs. An extra heat was necessary to declare a winner in the 2:16 trot, which furnished some thrilling racing with hard drives and blanket finishes the rule. Admorell, the favorite, owned by W. L. Rhodes of Wilmington, Del., took the first two heats, only to be beaten in the third, which appeared to be a dead heat. The gelding broke in the home stretch and Dan Dee, coming fast, got the decision by an eyelash. In the final heat Dan Dee went lame at the quarter but after the son of Adbell giving him a grand battle, Rhodes had the speed to stave him off and win the race.

Ladies' day at Moosepath Park brought out a large attendance of the fair sex despite the threatening weather at train time. The disagreeable weather, however, did not effect the sport, as the racing was fully as good as any yet seen here. Practically three favorites won and two second choices, and the public had the best of the afternoon's engagement with the layers of prices. The local followers have become very apt at picking the best horses, as was evidenced by the regular line-ups after each event yesterday. By winning the fourth race, Haymarket is the largest individual winner of the meeting, this making three straight victories for Mr. Tacco's good campaigner. Jockey Simmons, who rides for this stable, is riding to his best form, and it is principally due to his vigorous horsemanship that Mr. Tacco heads the winning owners list. Mr. Tom Stevens, the Montreal horseman, broke his spell of bad luck yesterday, and won the second and third races, with Yankee Lady and Etta May respectively. While the winners of the various events yesterday had little opposition there were some exciting contests for second and third positions, every horse being ridden out to the limit. Following is the summary: First Race, 6 Furlongs. 1--Middl, 109 (Matthews) . . . 3-2 2--Virginia Maid, 109 (Dimondo) 3-1 3--Miss Cesarino, 114 (Irwin) . . . 4-1 Time 1:21. Precels and Perry McAdow also ran. Second Race, 5/2 Furlongs. 1--Yankee Lady, 114 (Simmons) 1-1 2--Maurice Reed, 114 (Irwin) . . . 3-2 3--Uncle Fred, 109 (Knight) . . . 3-1 Time 1:15 1/4. Carrissima, Leon B. and Florence D. also ran. Third Race, 5/2 Furlongs. 1--Etta May, 105 (Dimondo) . . . 3-1 2--Alarmed, 97 (Wrispen) . . . 6-1 3--Herdman, 110 (Knight) . . . 1-1 Time 1:07 1/4. Athonia, St. Denolf, Master Lismore and Blue Crest also ran. Fourth Race, 4/2 Furlongs. 1--Haymarket, 116 (Simmons) . . . 1-1 2--Occidental, 116 (Don) . . . 6-1 3--Giovanni Reggio, 111 (Quinlan) . . . 5-2 Time 1:01 1/4. John A. Munro, Rapold, Copper Princess and Jim Rapid also ran. Fifth Race, Dufferin Hotel Purse, One Mile. 1--Irwin P. Diggs, 106 (Wrispen) . . . 2-1 2--Alta McDonald, 106 (Matthews) . . . 1-1 3--Coville, 111 (Irwin) . . . 3-1 Time 1:52. Autumn King, Tiana, and Adoration also ran. Last Day of Races. Getaway day at Moosepath Park will undoubtedly be a banner day of the meeting, and if weather conditions are at all favorable the local track will turn out to see the seven races which are to be run off this afternoon. The entries in the seven events are particularly large and excellent sport is bound to result.

GOOD GAME FOR TODAY With Fine Weather City Championship Game on Shamrock Grounds Should be Well Attended. The fans are earnestly praying that the weather man will be kindly disposed towards the baseballists today, when St. Peters and Clippers will clash on the Shamrock grounds in the third of the Post Series for the championship of the city. Many visitors in the city from outside points are anxious to see the teams play. Although the St. Peters showed more class than their blue and white rivals on Labor Day, the supporters of McBrine's men claim that they were suffering from a slight relaxation after their victories over the St. Johns, and predict that they will "come back" and show the real baseball stuff that made them the victors in the South End series. They will be strengthened by McGovern behind the bat, while "Harly" Howe, always a thorn in the side of the North Enders will be in the box. St. Peters will pitch Harrington again, and people from all over the province will undoubtedly take advantage of the opportunity to see this clever young pitcher work. The teams will line up as follows: Clippers St. Peters. McGovern Pitcher. Harrington Catcher. Donnelly First Base. Britt Second Base. Gallagher Third Base. T. Howe Short Stop. F. Mahoney Left Field. W. Bell C. McCormack Center Field. A. Finnmore J. Dever Right Field. Chase M. Harrigan

At a meeting of the Maritime Tennis Association last evening officers were elected as follows: Chas. Grant, of Halifax, president; Mr. Vidlo, of Halifax; 1st president; T. M. McAvity, St. John, 2nd vice-president; Louis Gastonguay, Halifax, treasurer. It was decided to hold the Maritime meet next year at Halifax and to throw the competition open to all United States and Canadian players. A movement was also inaugurated for the division of Canada into two districts with Winnipeg as a dividing point. The meeting sent a letter to the secretary of the Canadian association asking him to have two resolutions to this effect placed before the annual meeting in December. The idea is to have the provincial champions in the eastern section play at Montreal, the western champions at Winnipeg and the winners at Toronto for all-Canadian championships. Yesterday in the ladies' doubles, Miss Lydiard and Miss McLeod, of Nova Scotia, won the all-Canadian championship, defeating Mrs. Babbitt and Miss Babbitt, of Fredericton. Chas. Grant, of Halifax defeated Dr. McDonald, of New Glasgow in men's singles and today plays Angus Cassis of Montreal, for the championship. The results were: Men's Singles. Grant defeated McDonald 5-7, 6-2, 6-2, 1-6, 6-4. Ladies' Doubles. Miss Lydiard and Miss McLeod defeated Mrs. Babbitt and Miss Babbitt, 6-3, 3-6, 6-3. Mixed Doubles. Mrs. Babbitt and Turnbull defeated Miss Lydiard and Jackson, 6-8, 6-1, 6-3. The weather interfered greatly with the play as the balls were heavy and much back line playing was necessary. Today is the climax of the meet when all championships excepting the ladies' doubles are to be decided. New Brunswick is certain of the ladies' single event in which Mrs. H. R. Babbitt plays Mrs. M. Thomson. Mrs. Babbitt and Turnbull are also contestants in the final in the mixed doubles. The order of play follows: 10.30 a. m.--Babbitt and Wood vs. Jackson and McDonald. Grant and Bates vs. Gaunt and Corr. 11 a. m.--Mrs. Babbitt vs. Miss M. Thomson. 2.30--Viewell and Miss Silver vs. Turnbull and Mrs. Babbitt. Grant vs. Angus Cassis. Probate Court. Estate of Count R. DeBury.--Thos. P. Regan and E. T. C. Knowles, the executors, file the accounts of their administration, which are not final, with petition asking for citation to pass the same. Citation issued returnable on Monday, the third day of October next, Mr. E. T. C. Knowles acts for himself and co-executor.

BEAVER ONE TO GO TO GERMANY Marlon Mass., Sept. 9.--One of the three boats which will represent America in the German-American sander yacht races at Kiel next June, was selected late today by the committee which has had charge of the elimination trials in Buzzards bay during the past week. The yacht named is the Beaver, owned by George Dabney, which was one of the contestants in the recent Spanish-American sander yacht races off Marble Head. The Beaver also was awarded the cup for the best showing made in these trials offered by Captain Luis De Parra, skipper of the Chonta, one of the Head races. Three boats are to be sent to Germany and the committee tonight expected to announce two of the four boats which sailed the final race today, will accompany the Beaver. These four boats are the Cima, owned by Guy Lowell; the Bihelot, owned by Harry Payne Whitney; the Seacon, owned by J. L. Stackpole, and the Helen, owned by Dwight F. Davis. The Bihelot won today's forenoon race while the Cima took the afternoon race. List of Vessels in Port. Steamers. Nrkto Mendt, 2100, W M Mackay. Schooners. Arthur J. Parker, 113, master.
