PEACE TREATY WILL BE DISCUSSED SEPARATELY

Recommendations Include Legislation to Combat Cost of Living, Labor Unrest, Radicalism, and Readjustment of Nation's Peace-time Basis.

WASHINGTON, Dec. 2.—General recommendations on legislation to combat the cost of living, labor unrest, radicalism and readjustment of the nation to peace time basis, were the features of President Wilson's annual message to Congress delivered to-day. The peace treaty, the president told Congress, will be discussed in a separate message, that as well as the railroad question. For the second time only since the president established the practice of addressing Congress in person his message was read to-day by clerks.

The President's principal recommendations were:

Establishment of the budget system for national finances.

Re-organization of taxation system with simplification of income and excess profits.

Readjustment of tariff system, if necessary to meet the changed world conditions and make the system conform with the fact that the United States is "greatest capitalist in the world."

Recognition and relief for veteran soldiers of the world war, particularly in the way of government farms as proposed by the secretary of interior land.

Proper measures to foster dye-stuffs industry built up during the war.

Measures which "will remove causes of political restlessness in our body politic."

An enlarged program for rural development in recognition of farmers part in war.

WILL CONSIDER SIR ADAM'S DEMAND

TORONTO, Ont., Dec. 2.—Premier Drury was not in a position to-day to discuss the attitude of the Government with reference to the decision of the Federal Government that Sir Adam Beck's demands in connection with the St. Lawrence water powers will not be met.

"That is a matter that will have to be looked into very carefully before I can tell you what position the Ontario Government will take," said the Premier. "It is a very big question and I am not prepared offhand to say what steps will be taken by my Government."

MORE CABINET CHANGES LIKELY

OTTAWA, Ont., Dec. 2.—It is said here to-day that Sir Harry Drayton may not long hold the finance portfolio, but that there is in contemplation a further shuffle of Cabinet positions which will have the effect of sending Sir Harry to the Old Country as high commissioner, succeeding Sir Geo. Perley who now holds that post.

MINISTERS "STAND PAT" ON SALARY

Ontario Cabinet Not in Favor of Reducing Their Own Salaries.

TORONTO, Ont., Dec. 2.—There are indications aplenty that the Government's immediate policy of the economical administration of Ontario affairs, has not ended with the naming by Premier Drury of \$5,000 for his salary.

Interviews with several of the "standing pat." The present figure of \$5,000 can only be altered by the executive council, and while the Ministers all state that such a "standing pat" has not been considered, it is evident that a consideration of the matter would result in no change, unless a different frame of mind is present.

It is an open secret that Mr. Drury is of the opinion that the other members of the Government are overpaid and that the great discrepancy between the salary of the minister and those of his advisers was one of the chief reasons for the reduction of his own salary.

MORAL MATTERS BEFORE MATERIAL

French Labor Has High Ideals, Says French Delegate to Labor Conference.

MONTREAL, Dec. 2.—An appeal to the spirit of community among labor of all races and nationalities for the sake of humanity was made by Leon Jouhaux, secretary of the General Labor Federation of France, last night. Mr. Jouhaux, who is returning from Washington labor conference, spoke on "the aims of Labor and the Washington Conference."

The first aim, he said, was to re-establish the spirit of fraternity and solidarity among the workers broken by the war. He gave a vivid picture of the ideals of French Labor, which he said was poorly understood by the outside world because it was difficult to believe in disinterestedness which placed moral matters before material questions.

JIMMY SIMPSON HASN'T COMMISSION

As Chairman of T. & N. O. Railway Commission—Consult People of North First.

TORONTO, Ont., Dec. 2.—There isn't any truth in the rumor that became widespread yesterday that James Simpson has the commission for the chairmanship of the T. & N. O. Railway, in succession to Mr. Englehart, in his pocket. The redoubtable Jimmy himself denied any knowledge of such an appointment, and Hon. Mr. Bowman, Minister of Lands and Mines, who specializes in North-eastern Enterprises, says no appointment is likely to be made for some time.

The Premier and Hon. Mr. Bowman and Hon. Mr. Mills are about to make a short tour of the North-west and it would be unreasonable to announce a name before the people in New Ontario had been seen. It is true that Mr. Simpson is well known up north and that many of his admirers are urging that he should be made T. & N. O. Commissioner.

Board Held Regular Meeting. The regular meeting of the Orphanage Board was held last evening.

SMALLPOX IN TORONTO ON INCREASE

TORONTO, Dec. 2.—Another marked increase in the number of smallpox cases was reported to the Department of Health to-day. The hope that the epidemic was rapidly declining receives somewhat of a setback when 37 new cases were reported for the past 24 hours.

THE MILK PRICES AND THE BOARD

H. C. of Living Body Says It Can't Hope to do Anything Just Now.

WAIT FOR TORONTO'S READJUSTMENT

What about the Board of Commerce's attitude towards the recent increase in the price of milk in the city necessitated by the increase price demanded, by the producers. The City Council some weeks ago asked the Board for an investigation. The Board says in a communication to the Council from the Toronto office.

The Toronto office of the Board of Commerce wrote as follows in reply to the council's request to have the Board investigate the recent increase in the price of milk in the city:

"I may say that the Board recently issued a statement to the effect that it is unable to control advances in the price of milk while it is unable to fix the price of milk feeds. However the question of the price for Toronto milk is likely to be taken up by the Board when the time comes. Any decision the Board may come to in this connection will probably be reflected in out prices outside the city."

"Suggest Local Correspondent."

The Board of Commerce also wrote asking the city council to appoint a local correspondent to receive any complaints there may be against high prices of milk. This correspondent is to forward such complaints to the Board.

FIVE MILLION HYDRO ACCOUNTS

Against Munitions Board Will be Collected if Courts Can Enforce Payment.

TORONTO, Dec. 2.—"We will saw wood when we get a new sawhorse remarked Sir Adam Beck when asked yesterday if he would release the exchequer court to hear his demand for \$5,000,000 in respect of the excess power supplied to the Munitions factories during the war. The Dominion Government, it is understood, refuses to recognize any responsibility in the matter. The Chairman of Hydro Electric Commission declines any objection on the part of the federal government or to the probable action to be taken by the hydro. "I think we had better keep our mouths shut," he said. It was learned, however, that the Hydro Commission will fight the claim to a finish.

WILL NOT INCLUDE FUME IN TREATY

PARIS, Dec. 2.—The Supreme Council decided to-day that the question of fume should not be included in the Hungarian Peace Treaty, but be reserved for final decision by Allied and associated powers. This decision was made in the course of the discussion of the Italian or Jugo-Slavs to signing the treaty on account of fume.

SIR EVELYN WOOD DEAD

LONDON, Dec. 2.—Field Marshal Sir Evelyn Wood died here this afternoon. Born in 1838, he served in Crimean and Indian Campaigns of 1858, Ashanti, Kaffir, Zulul and Transvaal wars. He was awarded the Victoria Cross for services in the Indian Campaign and was the author of many works on Military subjects.

NEW YORK, Dec. 2.—A new low record for sterling exchange was made in the local market to-day when demand sterling opened at \$3.35, 3/8 below yesterday's close. Prices were quoted at ten to dollar off eight centimes, 12.37 to dollar off four centimes.

MILLIONAIRE FRICK DEAD
NEW YORK, Dec. 2.—Henry Clay Frick, millionaire steel manufacturer, died here this morning.

U. S. REPEATS ITS DEMAND

Note to Mexico the Sharpest Yet.

WASHINGTON, Dec. 1.—The Government's note to Mexico, as made public here to-day at the hour of its delivery in Mexico City, renews the request for the immediate release of William O. Jenkins, American consular agent, imprisoned at Puebla, and bluntly charges Carranza with attempting to beset the issue.

In the sharpest language yet addressed to the Carranza Government, and probably more pointed than one Government usually addresses to another in a formal diplomatic communication, the United States says it regards Mexico's plea of judicial process as well as the judicial reasons for not releasing Jenkins as "mere excuses," and gives notice that it will not be drawn away from the main facts and into a discussion of "irrelevant and unimportant matters."

Willful Indifference

The attitude of the Carranza Government in the matter, the note says, has been to "assume a willful indifference to the feelings of the American people, and the conclusion drawn by the Government is that Mexico has sought to divert the attention of the American people and the judicial process as well as the judicial reasons for not releasing Jenkins as "mere excuses," and gives notice that it will not be drawn away from the main facts and into a discussion of "irrelevant and unimportant matters."

REPORT SPANISH CABINET RESIGNED

(Special to The Record)

PARIS, Dec. 2.—Dispatches from Madrid to-day said the Spanish cabinet had resigned. The military juntas which recently have been under fire were threatening to ask the dismissal of all infantry officers should the government approve the War and Navy Council's decision on the dismissal of students from the military school from the army. The dispatches said. The Spanish cabinet reported to have resigned was headed by Sanchez Toca.

EXPECT MEXICO TO REFUSE RELEASE

(Special to The Record)

WASHINGTON, Dec. 2.—President Carranza of Mexico is expected to reply within a week to the last American note requesting immediate release of William O. Jenkins, U.S. Consular agent imprisoned at Puebla. The Mexican answer is not expected earlier than that and the general impression here seems to be that it will be another refusal. This would mean that negotiation for Jenkins' freedom would continue.

WINNIPEG TRIAL TO BE WIDE OPEN

(Special to The Record)

WINNIPEG, Dec. 2.—When J. B. Coyne, K.C., for the crown, during the trial of R. B. Russell, asked that letters written by the accused as well as the replies thereto be accepted as exhibition, J. Edward Bird for the accused made his first important pronouncement. "The crown," he said, "has alleged a specific conspiracy. My instructions are to throw this matter wide open and endorse the widest investigation, there is nothing we are afraid of."

EXPRESS CO. WILL APPEAL

OTTAWA, Ont., Dec. 2.—Should an adverse verdict be found against the Canadian Express Co. in the matter of the 35 cases of champagne addressed to the country club in Quebec and seized on the Company's premises here, it is more than probable that the company will be appealed to a higher court. The hearing in the Police Court has been adjourned till next Thursday.

WALES MINERS FAVOR STRIKE

LONDON, Dec. 2.—South Wales miners have voted by a slight majority in favor of a strike over the question of enforcing the raising of the incompetent relief limit to 250 pounds annually. Official figures on ballotings available to-day show 73,837 votes for strike and 72,817 against.

Outside Men, It is Said, Were Here.

It is said that in the mob last evening there were a number of men from outside counties.

PREMIER WANTS TO RETIRE AND QUESTION OF SUCCESSOR IS NOW UNDER DISCUSSION

Sir Robert Borden is Back at Helm but is not Expected to Remain There Very Long.

Ottawa, Dec. 2.—Sir Robert Borden is again at the helm but by none, it is expected, that Sir Robert will long remain there. His health is much improved but he is far from being in robust condition nevertheless, and the strenuous burdens of the past five years have left a mark which neither rest nor recreation can entirely eradicate.

It is not disrespect to Sir Robert to say that the question of his successor is being frankly discussed, for it is believed that he would gladly retire were such a successor found. In unofficial but well informed circles here it is believed that Sir Robert may be given a high post in connection with the league of nations.

Another story is that Sir Robert will be Canada's first representative upon the Imperial cabinet in London which next year's Imperial conference is expected to bring into being.
