

.. TABLETS ..

Have you seen our New Writing Tablet—"On Service"—the cover of which is printed in gold and black with a picture representing a mounted guardsman on duty. Its appearance is attractive and the name is appropriate, for we mean that the article is always "On Service" to those who use Tablets, who are a very large portion of the community.

"On Service" Tablets are made in quarto and octavo sizes, ruled or plain.

Do you require a Tablet which is larger than the usual octavo size, but smaller than quarto? If so, we have a Royal 8vo or Packet, size $9\frac{1}{2} \times 5\frac{3}{4}$ inches, in our well-known "Osgoode Linen" and "Inland" series, which will suit you. Shall be pleased to receive order for samples.

Why is it that our Tablets take take first place? Because they are padded by "The Johnson Process," the superiority of which is universally acknowledged.
