MOOSE JAW

SASKATCHEWAN, CANADA

398 miles west of Winnipeg.

The railway centre of the C. P. R. in South Saskatchewan.

The rush for land continues this year.

April with 2378 quarter section entries—100 entries for each office day, made MOOSE JAW the busiest land district in Western Canada.

There are thousands of quarter sections still to be homesteaded, pre-empted and located with scrip.

MOOSE JAW is reaping a business harvest from this inrush of settlers.

5 Hotels cannot accommodate guests. Boarding houses are crowded. There is an opening for a first-class hotel with from 60 to a 100 rooms.

Business is always increasing.

Following the land rush will come a wave of railway extension—competing lines.

The time is ripe for a street railway in MOOSE JAW. Definite plans should be made by any capitalist interested before railway crossings and other difficulties make right of way expensive.

A liberal franchise might be secured from the city corporation. There are many opportunities for profitable investment.
