

PROGRESS

In August last the now thriving town of Delisle, on the new Goose Lake extension of the Canadian Northern Railway, was nothing more than a patch of uncombed prairie—early in November the residents of this busy, bustling community were reading the first edition of their own weekly newspaper. And scores of other towns are progressing as rapidly. This remarkable development spells opportunity for the enterprising. Learn more about these immense new fields of activity. Write for literature describing these opportunities for the enterprising, in new Canadian territories, east and west.

Address all enquiries to Department of Publicity and Industries, Canadian Northern Building, Toronto, Ont.
