## Who Really Cares?

Jeremy Earl  
Sports Editor

Well, what can I say? Did you know the Black Bears went to the AUAAs? I must confess I didn't and that I sorely regret. To see a team make a comeback against impossible odds is what sports are all about. The raw emotions, the drive that builds character, the time consumed in training are all suddenly worth it - you are the champions.

It was worth it and we're glad.

Oh, and before I forget, I'd like to thank W. Grant for the articles that I kept having to find room for on various front pages.

So remember the motto people - Who really cares?

## SPORTS BR

Snow Ball time is here again. This Sunday at 2:00 p.m. the long wait will be over

and baseball will once again come into play. We ask you not to be talented, we ask you not even to be male. Just merely

willing to have some fun playing Abner Doubleday's game in a way he never dreamed of.

All interested meet in the Blue Lounge at 1:30.
