Sir,—

With reference to letter # 23133-3 dated December 21st 1921 I beg to inform you that I met the Councillors of the Woodworth Municipality some time ago, they have graded a road one mile in length along the boundary of the Reserve and I do not think it is any special benefit to the Reserve; this road takes about 12 acres off the Reserve.

I would judge that \$ 13-00 per acre would be a fair value for this land; as the Municipality should be able to sell it to the Farmer who lives next to it.

This land must be Section 34 instead of Section 33.

Your obedient servant

Gas Mc Donald
Indian Agent.
