The Secretary Department of Indian Affairs
Ottawa
Wm. J. Pike

I have the honour to remit herewith the sum of \$17.¹⁵ the balance of the money I have collected for Crown dues.

The affidavits follows under another cover. I am sorry to say that they are not complete, but it is all I am able to do, though I had often told them to keep acct I could never get anything correct, I had to take the affidavits of the buyers as the amount was a good deal higher.

You will see that the acct of Wm Richard co of which I have reported before is not yet paid.

There is also a small amount due by J. Bidou & Co which I will collect and remit in a few days.

In future, now that I am residing here I will be able to see that not one log is sold without I have an acct I will not have a trust on others as before but will see about it myself. I have it heart, that this state of affairs will not be repeated - your obedient servant
