Dear Mr. Allan,

I wish to acknowledge receipt of your letter of June the 18th and wish to state that I have given the necessary instructions to Russell V. Johnson to start the work on our Permit No. 46 Stoney Indian Reserve and I believe that the work will start sometime during the beginning of the month of July.

We shall advise you promptly just as soon as the survey is completed and our geologist gives us the necessary data in connection with the result of his work.

Yours sincerely,

Paul Payette
