Ottawa, November 29, 1920

Mr. N. T. MacMillan,  
305 McArthur Building,  
Winnipeg, Manitoba.

Dear Mr. MacMillan:

I thank you very heartily for your welcome letter of November 18 and its reassuring words.

I wish it had been possible for our Liberal organization office to supply an article to the Christmas Number of the Grain Growers' Guide. Unfortunately, we have not available at this time the funds for an expenditure such as would be required on this account, and we have been obliged to forego any consideration of giving them an advertisement this year, much as we all appreciate the value of the opportunity.

I am glad you feel that our western trip has been a real success. Nothing could be more gratifying or encouraging than the many generous expressions which have come from Western Liberals to those of us who were of the party.

With kind personal regards,

Believe me,

Yours very sincerely,
