

LEGISLATIVE ASSEMBLY
WINNIPEG

WU 5078

June 3, 1935.

Right Honourable Arthur Meighen,
The Senate,
Ottawa.

Dear Mr. Meighen:

I am writing you in connection with C.W. McMillan an old friend of yours. I would like to see him get a position as valuator for the Canadian Farm Loans Board. Major Barnett, the Chairman of the Commission, is anxious to put in people only from the Soldier Settlement Board. Mr. J.C. Kyle is Superintendent in Manitoba and is a good friend, but Barnett has a good deal to say about who should be appointed. It comes under T.G. Murphy's department also. McMillan has not been in to see me but I know he needs it very badly.

Kind regards.

Yours truly,

Address:

John T. Haig, K.C., M.L.A.,
701 Paris Building,
Winnipeg, Manitoba.
