October 12, 1934

Rt. Honorable Arthur Meighen
Toronto, Canada:

Dear Sir:

I am compiling a book for students of public speaking, to comprise some representative speeches by prominent men of today.

If agreeable to you, will you kindly indicate what you consider is one of your best speeches and also grant me permission to include it. If you can conveniently send a copy of the speech it will be appreciated.

Yours sincerely,

Grenville Kleiser
