Ottawa, 6th December, 1910.

Sir,-

With reference to your letter of the 19th November in which you refer to the fact that one of the tents used at the hospital on the Six Nations Reserve is in a somewhat dilapidated condition, I have to request that you will kindly report the size of the tent in question. It is possible that it might be replaced by one in stock at Headquarters.

Your obedient servant,

Asst. Deputy &amp; Secretary.
