No. 1293. Your telegram of August 4th, No. 1203.
At the moment most of the British Consuls in France
have returned here and the remaining ones do not
act in official capacity, everything being done
through United States Consular authorities. On the
contrary French Consuls here are still exercising
their functions.

Negotiations presently going on and position of
British Consuls in France may be changed within a
few days. Shall advise.
