MONEY TO LOAN ON REAL ESTATE AND SURRENDER VALUES OF LIFE POLICIES

26 St. James Street, Montreal

Montreal Trust Company

Practical View

The administration of estates is a business In conducting it properly, experience, judgment integrity and financial strength are just as essential as they are in any other business. Many estates, built up by a life-time of effort and skill, have diminished greatly in value through incapable admi-nistration. This institution makes adminis-tration of estates a business. Its public character, financial strength directors and officers are a surety of its efficiency, faithfulness and impartiality
