

Second Annual Consignment Sale

Pure-Bred Grandview Rose—37030—Canadian Ayrshire champion. Record, 21,423

Menie District Ayrshire Breeders' Club TUESDAY, April 2, 1918

Campbellford, Ont., 1 p.m.

Some of the choicest animals of the District and best blood of the breed, will go under the hammer, without reserve as our rules prohibit by bidding and bidding in.

The offering will consist principally of females, many of which will be freshened at time of sale, and a number of richly-bred young bulls, ready for service.

Three sons of that great bull LESSNESSNOCK DURWARD LELY, the grand sire of GRANDVIEW ROSE—37030—the Canadian Ayrshire champion cow, came to this district and was used extensively. We believe there are more relatives of the champion cow sively. We believe there are more relatives of the champion cow in this district than in any other district in Canada and a number will be included in the sale. Other sires used extensively in the district were: Auchenbrain Hercules and the present champion bull of Canada; Hillside Peter Pan.

Get your name in for a catalogue and plan to attend.

ALEX. HUME, Sales Mgr., R.R. No. 3, Campbellford, Ont.

R. O. P. CHAMPIONS

According to the R. O. P. reports a Jersey cow produced more butter fat during last year than any other cow of any other breed. We have now for sale Twenty Cows, fresh or springing, also Young Buils, all ages. Some of these are closely related to the champion butter cow mentioned above. B. H. BULL & SON, BRAMPTON, ONT.

=JERSEY SIRE=

I am note ready to discuss of a young buil from sadie Miss Pole, spord of the fat is 7 years old. I see a ready of the fat is 7 years old. Fat in yearing class. Granddam 754 lbs. fat in a year. His sire is by Sadie Mac, former Canadian changion and John Polo, whose granddam has a 2-15,000 lbs. milk and 395 lbs. butter. And great-granddam 15,000 lbs. milk and 395 lbs. butter. HAGERSVILLE, DNTARIO HAGERSVILLE, DNTARIO
