WINTER TOURS TO CALIFORNIA, FLORIDA, ETC.

At this season of the year many are planning their winter tours. Considerable numbers annually visit the ever-popular California resorts, while many choose the flowers and sunshine of Florida, together with the very even climate.

Numerous people in comfortable circumstances, well able to afford a winter tour, have the mistaken idea that a trip of this nature is most expensive. This is not so. Thanks to modern railway facilities, an extensive trip, both interesting and educational, may be made with speed and comfort at a comparatively small cost. Why not investigate?

The Canadian Pacific Railway offers particularly good service to Detroit, where direct connection is made for Florida, via Cincinnati, Ohio, and Atlanta, Ga. Jacksonville, Florida, is reached second morning after leaving Detroit. Excellent connections for Florida can also be made via Buffalo.

The Canadian Pacific-Michigan Central route (via Michigan Central twin tubes between Windsor and Detroit), will be found the ideal line to Chicago, where direct connection is made for the Southern States. New Orleans is reached second morning after leaving Toronto.

Direct connection is also made at Chicago for points in California, Texas, Arizona, etc.

The Dining, Parlor and Sleeping-car service between Toronto, Detroit and Chicago is up-to-date in every particular. Connecting lines also operate through sleeping and dining cars.

Those contemplating a trip of any nature will receive full information from any C. P. R. agent; or write M. G. Murphy, District Passenger Agent, Toronto.

"There's one consolation about being in jail, mum."
"What is that, my poor man?"
"After I once go to bed nobody makes me get up and go down to be sure that the back door's locked."

During the hearing of a lawsuit the judge reproved a man for making unnecessary noise. "Your Honor," was the reply, "I have lost my overcoat, and I am looking about to find it." "Well, sir," said the judge, "people often lose whole suits here without making so much disturbance as that."

"I wonder what we're here in the world for?" asked the little boy, who seemed to be suffering from some childish grievance.
"We are put here to help others, of course," answered the little girl, with an air of superior wisdom.
"Um!" exclaimed the boy, disdainfully; "then what are the others put here for?"

The teacher, wishing to impress on her pupils' minds the vast population of China, said: "Just think of it, children, two Chinamen die every time you draw your breath!"

A minute later her attention was attracted to little Jimmie James, who stood at the foot of the class puffing vigorously, with his face reddened and his cheeks distended.

"What is the matter, Jimmy?" asked the teacher. "What on earth are you doing?"

"Nothin', Miss Mary," was the indifferent response of Jimmy. "Just killin' Chinamen."

WHY YOU SHOULD BUY SIMONDS SAWS

Because they cost no more than unmarked, inferior brands. Because the name "Simonds" on a saw means that the saw is guaranteed. Because all steel used in Simonds Saws is made in our own Crucible Steel Mill.

Saws with the name "Simonds" stamped on them. The illustration shows a two-man cross-cut saw, and is known to your hardware dealer as No. 237. Ask for it. Write direct to the factory for any other particulars.

Vancouver, B. C. SIMONDS CANADA SAW COMPANY, LIMITED, MONTREAL, QUE. St. John, N. B.

Always buy a saw with a sharp-cutting edge—not a soft saw—because the former lasts longer and keeps its edge better.
