Human
Machines

It has been said that the PLANET Jr. Labor Saving Farm Tools, are almost human in their operation; for example, the PLANET Jr. Hill Dropping Garden Drill, sows the seed, covers, rolls down and marks out the next row in one automatic operation. The PLANET Jr. Book for 1894 illustrates and describes 20 other machines of the same family. It is full of labor saving suggestions from cover to cover—a book worth reading and worth heeding. We send it free.
