

# Hard Fighting Ahead!

**Victories that are easy are cheap. Those only are worth having which come as the result of Hard Fighting**

On the prairies of South America there grows a flower that always inclines in the same direction. If anyone loses his way, by turning to this flower he will find a **guide** upon which he can absolutely depend, for no matter how the wind blows the leaves always point towards the north.

So it is with **The Guide and The Grain Growers' Associations**, their aims are so constant that no matter what opposition they may encounter, or what obstacles they may meet, you can tell almost to a certainty where they will come out. Whatever comes, the

fight The Guide is making for a square deal will not be purposeless. The big interests realize that a new power has arisen in Canadian journalism. They also know that the organized farmers are men with brains, push and tenacity of purpose. Every obstacle placed in the way of the farmers' movement to protect themselves only adds to our determination to succeed. Nothing can stay our progress if the farmers will only help.
