VISITORS.—The steamer John Muss, this morning, brought down betwen two and three hundred American citizens from New York and Boston, being a portion of the large party who are paying a return visit to the city of Montreal. We do trust a return visit to the city of Montreal. We do trust the hospitalities shown to these intelligent strangers, will be of a character to do honor to the respective cities; such, at all events, as will evidence a feeling of gratitude for the courtesies extended to the Canadian party who lately visited Boston. His Worship the Mayor, and several citizens, met with our visitous this afternoon, at the St. George's Hotel, and after some coegratulatory remarks, accompanied them to visit the Citadel and other places worthy of seeing in and about Quebec. Quebec Gazette.

DESERTION.—We learn that the coats, shakes, and cross-belts of three soldiers of the 19th Regiment were found this morning on the Lower Town Market steps, close to the Napoleon Wharf. The men, it appears, deserted last night.—Ib.
