GENERAL DEBILITY

The great peculiarity and excellence of Dr. Christie's Galvanio Curatives,

consists in the fact that they arrest and care disease by estimate anythesizion, in place of the swai mode of drugging, and shysicking the patient till enhanted Nature sinch hopeleasily under the indiction.

They strengthen the whole system, equalize the circulation of the blood, presside the secretions, and sever is the stightest fujury under any circumstances. Since their introduction in the United States, only three years since, more than
