### FRENCH AND BRITISH ON MOVE STILL

Continue Progress Today—  
French Take Singly and  
Reach Liart

TAKE 1,500 PRISONERS

Mate  
tu Yesterday  
ish Are Advancing

By Courier Leased Wire.

Paris, Nov. 8.—French troops renewed their advance along the whole front this morning. The war office reports today that French units have reached the railway junction of Liart, about twenty miles north of Rethel.

The French early today captured Singly, less than eight miles south of Mezieres and Frenois, about one mile west of Sedan. Fifteen hundred prisoners and much material were captured yesterday.

The statement reads:

Our progress was resumed again this morning on the entire front. French advance elements reached Liart, thirty kilometres north of Rethel. Further to the right we captured, early this morning, Singly and Frenois, and penetrated into the outskirts of Sedan. The number of prisoners taken yesterday was more than 1,500. The amount of material captured was increased considerably.

BRITISH ADVANCING

London, Nov. 8.—The British are continuing their advance along the active battle front. Field Marshal Haig to-day announced the capture of three villages in the region between Eons and Mauberge.

"Sharp fighting occurred in the evening in the neighborhood of Reclabes and Limont-Fontaine, south of Beaumont. These villages were captured with a number of prisoners. Our advance south of the Meuse canal continued."

NEWS COMING THROUGH.

New York, Nov. 8.—News despatches from Associated Press correspondents in Europe were coming through the censorship freely to-day as usual and their character demonstrated that there was no sharper censorship of contents than usual. To-day's despatches told of advances on the Sedan front to-day with captures of villages and prisoners, and also details of the movements of the armistice commissioners.

WEATHER BULLETIN

Toronto, Nov. 8.—A depression which developed in the Missouri valley yesterday is now centred in eastern Manitoba giving showery weather from Manitoba to Ontario.

Forecast.  
Fresh to strong east to south winds, showery Saturday. Fresh to strong south to west winds, some local showers, but partly fair and becoming cooler.

### WASHINGTON DENIES NEWS IS WITHHELD

By Courier Leased Wire.  
Washington, Nov. 8.—Washington awoke this morning to find that its wild celebration yesterday afternoon and last night in the belief that the war had ended was premature. This morning State and War Department officials, who had kept an all night vigil still were without information that German plenipotentiaries had

signed the armistice terms. At President Wilson's direction, Secretary Lansing issued a statement shortly after noon to-day that any statement that news reaching the government concerning armistice negotiations was being withheld was utterly false and that as soon as a decision in regard to the armistice was reached it would be made public immediately by the government.

### LAST HUNDRED DAYS FRAUGHT WITH DISASTER FOR GERMANS

Little Over Three Months Ago Foe Was Within 35 Miles of Paris; To-day He Begg Peace On Allied Terms

By Courier Leased Wire

Paris, Nov. 8.—(5.45 a.m.)—One hundred days ago the Germans were thirty-five miles from Paris. To-day they are begging peace.

After many occasions when hope has been deferred and of bitter disappointment, France knows at last that triumph has come and gives rein to its unreserved joy. The conviction is universal that whether the German delegation signs articles of capitulation or not, Germany is beaten.

The Allied advance, particularly the exploit of the Americans in capturing Sedan, a name which thrills every French heart, show clearly that continuation of hostilities by Germany can lead only to a military debacle in the near future. This feeling is confirmed by news received from reliable quarters that Germany's internal affairs are drifting toward chaos.

Huns Try to Cloud Issue.

Paris, Nov. 8.—(5.40 p.m.)—The text of the wireless exchanges between Marshal Foch and the German high command shows signs, this morning, newspapers declared, that Germany is still determined to cloud the issue in every possible way, apparently with the object of at least gaining time, if they cannot gain anything else.

"Berlin and all Germany are striding rapidly toward a revolution. The substitution of a responsible secretary of state for Admiral von Hintze was inspired by this grave peril. The commission sent by the German Government must have with it a man able to sign immediately without referring to Berlin. An attempt must be made at any price in the person of Prince Maximilian of Baden, to open negotiations in favor of peace."

Needless to say the German Government is the victim of a persistent illusion. Marshal Foch will refuse to come out of his province which is strictly military and he also will certainly refuse any suspension of hostilities until the armistice is accepted.

### GIVE ENEMY THREE DAYS TO DECIDE

Time Limit of Seventy-Two Hours Set When Foch Defines Terms

ONLY UNTIL SUNDAY

By Courier Leased Wire.

Paris, Nov. 8.—If the credentials of the German armistice delegates are found adequate, they will be informed officially what the terms of the armistice are, and that they will have a time limit of seventy-two hours in which to reply.

Washington, Nov. 8.—Information reaching Washington through diplomatic channels to-day indicated that if the German armistice envoys are not ready to accept immediately the terms offered by Marshal Foch the Marshal will give them only until Sunday to sign.

No efforts at compromise or evasion by the Germans is to be tolerated. They must take what the allies and the United States offer, and lay down their arms, or there will be no interruption of the great offensive which is destroying the German military machine.

Powers Conferred

Paris, Nov. 8.—The powers conferred on Marshal Foch are strictly confined to the conclusion of an armistice, according to The Echo de (Continued on Page Three.)

London, Nov. 8.—The German majority parties have held a final discussion on the question of Emperor William's abdication and will without doubt unanimously demand that he abdicate, according to a Berlin dispatch to the Copenhagen Politisk Telegram, forwarded by the Exchange Telegraph correspondent. The ab-

### HISTORIC MEETING TO TAKE PLACE ON WEST FRONT TO-DAY

German Plenipotentiaries Go Before Marshal Foch To Seek Terms of Peace; Allied Forces Continue Progress Meanwhile

By Courier Leased Wire.

New York, Nov. 8.—The Associated Press this morning issued the following: Germany's delegation charged with the duty of receiving from Marshal Foch the Allied terms for an armistice crossed the Allied lines near La Capelle last night. The members spent the night at a house inside the Entente front and this morning were taken to a place in the Department of the Aisne where they will meet the commander-in-chief of the Allies. It is announced by Paris that it is a four-hour trip to the scene of the historic meeting.

The German high command sent a wireless message to the Allies yesterday asking for a provisional suspension of hostilities on the front where the delegates are to cross, beginning at 3 p.m. and lasting until further notice. This was presumably to permit the armistice mission to pass in safety. The Germans, however, were delayed on the road and they did not reach the lines until well along in the evening.

the fields of France where the British and French are in close pursuit of the Germans. This rain has hampered the enemy's retreat very seriously and while it has also slowed down the Allied advance the Germans are apparently in grave danger of being crushed.

The British are assembling within cannon range of the railroads north and northeast of Hison, leading into Belgium. If this is a fact the Germans must attempt to make good their escape through the wooded, rough Ardennes region. This country is devoid of railroads and has only mediocre highways over which the enemy may withdraw his trains of supplies and munitions, and his (Continued on Page Three.)

There are no guards on the German Danish frontier, it is reported, and many prisoners crossed into Denmark last night. Dispatches say that no trains have arrived at Copenhagen from Hamburg to-day.

Amsterdam, Nov. 8.—The headquarters of the command-in-chief of the port of Hamburg has been occupied by the Soldiers' Council after existing occurrences in which machine guns were used.

All kinds of excesses took place in the neighboring city of Altona. The port commander there agreed to all the demands submitted by the Soldiers' Council.

RAILWAY LINE CUT.  
Copenhagen, Nov. 8.—Revolutionists have cut the northern German railway line of Koenigsberg. This breaks communications from the north with Hamburg.

SOCIALIST DEMANDS

By Courier Leased Wire.

London, Nov. 9.—9.36 a.m.—The cities of Bremen, Schwerin and Tilsit have joined in the German revolution, according to a Copenhagen dispatch to the Exchange Telegraph Company. Dr. Earl Liebknecht is said to have arranged for the formation of a soldier's council at Bremen.

Bremen is, next to Hamburg, the principal maritime emporium of Germany. It is situated on the Weser river, 59 miles southwest of Hamburg. Its pre-war population was about 170,000. Schwerin is the capital of the grandduchy of Mecklenburg-Schwerin, and is situated on the west side of Lake Schwerin, 35 miles southeast of Luebeck. Its population in 1900 was about 38,000. Tilsit is a city of East Prussia. It lies on the left bank of the Nieman river, 60 miles northeast of Koenigsberg. Its population is about 35,000.

REBELS HOLD HAMBURG

Amsterdam, Nov. 8.—The great German maritime port of Hamburg is completely in the hands of the revolutionists, according to reports from Hamburg newspapers, printed by the Communist Party. The red flag is flying on all the ships in the harbor.

RED FLAG AT KIEL

London, Nov. 7.—The greater part of the German navy, with red flags hoisted, left the harbor of Kiel in possession of mutinous sailors, according to a Copenhagen dispatch to the Exchange Telegraph Company. Copenhagen also reports that the revolutionary flag has been hoisted at Warnemunde, with which place railroad communication has been interrupted.

There are no guards on the German Danish frontier, it is reported, and many prisoners crossed into Denmark last night. Dispatches say that no trains have arrived at Copenhagen from Hamburg to-day.

### REJECTED

London, Nov. 8.—The German proposal for an immediate provisional suspension of hostilities has been rejected by Marshal Foch.
