

## A TALE THAT TELLS

Clean cut definite statements give you a chance to make comparisons. We are selling our faultless clothing below the market, but everybody does not know yet the money to be saved by buying here; that's why we print the facts illustrating the possibilities of ready cash where Cash is King.

Read the papers through, search the stores through, the keener the competition, the more matchless in contrast will these appear.

Ed. T. Moore attended the session of the High Court I.O.F. of Eastern Ontario at Smith's Falls last Wednesday and Thursday.

Work on the erection of H. F. Gilbert's new brick house is progressing, the walls of the first story being completed.

Wm. Gilbert has been visiting friends at Plevna the past few days.

Robt. R. Tate has his new barn about completed.

Mrs. J. Randall has gone to Kingston for medical treatment.

N. G. Shook is improving his store by building a new front.

The farmers are being very much delayed in their harvesting by frequent showers.

### Cholera Infantum

This has long been regarded as one of the most dangerous and fatal diseases to which infants are subject. It can be cured however, when properly treated. All that is necessary is to give Chamberlain's Colic, Cholera and Diarrhoea Remedy and castor oil, as directed with each bottle, and a cure is certain. For sale by J. P. Lamb & Son.

### DELTA

Athens boasts of having a lady that is 100 years old this month. Delta is close to them, having a lady that will be 99 her next birthday, namely Mrs. Emily Wood. She is hale and hearty but her eye sight is a little bad. She takes a pleasant walk every day.

Mrs. Baker and Miss Grothier, of Brockville, are visiting at James Barlow's for a few days.

Mrs. A. M. Dixon, of Lansdowne, and her sister, Miss Lizzie Hewitt, of Morton, were visiting their sister, Aggie Hewitt, before the latter left here for Ireland to live.

Miss Aggie Hewitt, who lived with Mr. and Mrs. Alonzo Wilcox for a few years, has gone to Ireland to live with her uncle. She was a favorite and will be much missed by her many friends. Before she left the ladies went to Mr. Wilcox's house and presented her with the following address:

DELTA, Aug. 13, 1903.

Miss Aggie Hewitt.

Dear Friend,—Delta Sunday-school scholars, together with your neighbors, have much pleasure in asking you to accept this trunk as a small token of their respect and esteem, thinking that it may not only be useful to you on your journey, but help to keep you in remembrance of your friends. We thank you heartily for your very efficient services as organist in our Sunday-school. We will miss you there as well as in our every day life. We wish you a safe voyage and hope you will find a pleasant home beyond the sea and be a solace to your aged relative in his declining years, and that, by the grace of God, you may continue to lead a good and useful life.

### A WELL KNOWN ALBANY MAN

Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy

About eighteen months ago, Mr. W. S. Manning, of Albany, N. Y., widely known in trade circles as the representative of the Albany Chemical Co., was suffering from a protracted attack of diarrhoea. "I tried Chamberlain's Colic, Cholera and Diarrhoea Remedy," he says, "and obtained immediate relief. I cheerfully recommend this medicine to those similarly afflicted." Sold by J. P. Lamb & Son.

### A CARD

The subscriber, in returning thanks to his many patrons for the liberal patronage given him in the past, desires to recommend to the public Mr. Frank Kirt, a skilled mechanic in the wood-working department who has leased my workshop. All work and repairing given him to do will be done faithfully and well. He has also been given authority by me to sell in my absence the remainder of my carriages.

Athens, August 11, 1903.

D. FISHER.

### Diminished Vitality

Some people talk very flippantly about diminished vitality.

They don't stop to think that vitality is the principle of life—that it is that little understood something on which every function of their bodies depends.

Diminished vitality is early indicated by loss of appetite, strength and endurance, and Hood's Sarsaparilla is the greatest vitalizer.

### STREET LIGHTING

Mr. L. B. Arnett, inspector of the Siohe Gas Co., Toronto, is in Athens this week and in company with Mr. A. E. Donovan, favored the Reporter with a call. The Siohe Co. are installing a plant in Mr. Donovan's residence, and a demonstration of the suitability of the light for street purposes will be made by erecting at the corner of Central and Elgin streets a post bearing a 60 candle power burner. Mr. Donovan is anxious that the wishes of a large majority of Athenians in respect to street lighting should be met by the installation of some form of public lighting that would be available for all purposes, and has already spent considerable time and money in promoting the project. It now remains for our citizens to second his enterprise with all necessary encouragement, and in a short time the term "in darkest Athens" will no longer be applicable to our pretty village. Under his guidance, Mr. Arnett is considering the whole subject, and it is probable that in the near future the proposal will be laid before the people in a definite, practical form.

### REAR YONGE AND ESCOTT COUNCIL

The council met at the town hall, Athens, on Monday, 10th inst., at 8 o'clock. Members all present. Minutes of last meeting were read, adopted and signed by the reeve and clerk.

No. 2, \$75; No. 3, \$100; No. 5, \$17.75; No. 7, \$150; No. 8, \$85; No. 12, \$130; No. 13, \$160.

A by-law to regulate the building of wire fences along the public highways and to pay a bonus for the same was passed. Under this by-law, 20 cents per rod will be paid for wire fences along highways when built by consent and direction of the council.

Mr. Cowan was appointed to have 40 places in the roads in division No. 4 repaired.

Orders were given on the treasurer as follows: Fred Hayes, for arranging with Mr. Hall and road overseers re crushing stone, \$11, and for expense building bridge in division No. 6, \$91.09; James Keyes for repairing road in division No. 4, \$25.75. Council adjourned until Dec. 15th, unless sooner called by the reeve.

R. E. CORNELL, Clerk.

### FULTON-HILL

Winchester Press: "A pretty wedding was celebrated last evening (Aug. 12) at the home of Mr. and Mrs. J. B. Hill, when their only daughter, Maude E. was united in marriage to Mr. Alexander Mackenzie Fulton, B.A. of Chesterville. The ceremony was performed by Rev. S. J. Hughes, M.A. in the presence of only the immediate relatives of the contracting parties, after which the company sat down to a rehearsal feast. The gift of the groom to the bride was a beautiful pearl necklace. The bride was also the recipient of many other costly and beautiful presents. Mr. and Mrs. Fulton left by the local express at 8 o'clock amid a profusion of rice-throwing from a large crowd of friends who had gathered to see them off. They went to Brockville where they took a steamer for Montreal and a trip down the St. Lawrence. Both bride and groom hold a high place in social and intellectual circles. The former was at one time on the staff of the Brockville Public School and later was principal of the Winchester Public school, while Mr. Fulton is a clever and rising barrister at Chesterville."

The bride is held in pleasant remembrance by many Athenian friends and with them the Reporter joins in wishing Mr. and Mrs. Fulton long life and happiness.

### BROCKVILLE CHEESE BOARD

The offerings were 1429 colored and 874 white.

The market showed an improvement in tone. The cable quotations were in advance of last week—48s for white and 49s colored. This stronger tendency was evidenced by action of the buyers who readily met the views of the salesmen and took the bulk of the make at their own price. Bidding opened at 9 3/4c. and advanced to 9 13/16c. which commanded their first call by Mr. Bissel. He could not get a box however, and on being prompted to make it 10c. he did so. President Rath started by accepting. The other buyers made the same offer and the salesmen let their lots go to their regular buyers on open board. The sales amounted to 754 white and 1118 colored. Only 435 remained unsold when the President declared the board adjourned.

### MISS FLORENCE LESTER

Respecting the death of Miss Florence Lester, of Renfrew, sister of Miss Bertha Lester, of Athens, the Rideau Record says: "About a year ago her friends noticed her becoming pale and listless. Previous to that she was a bright, winsome girl. The disease had laid hold of her and carried her off before she had scarcely more than stepped upon the threshold of maidenhood. Miss Lester was a young lady of very amiable disposition and was beloved by all who knew her. There is much sympathy expressed for her sad and untimely demise and for her sorrowing parents, brothers and sisters."

### THE I.O.F.

Mr. T. S. Kendrick reports the session of the High Court of I.O.F. for Eastern Ontario, held at Smith's Falls last week, to have been in every respect very successful. Dr. John Herald, high chief ranger, reported that during the past year there were instituted in his jurisdiction eighteen new courts; two courts surrendered their charters leaving net gain of sixteen. The membership now is 12,470, an increase for the year of 629. Estimated expenses were \$7,371.93, but a saving of \$706.03 was effected on this sum. J. S. R. McCann, high treasurer, also presented his report showing total cash revenue of \$6,054.75 with a surplus of \$697.03.

### ANNUAL CAMP-MEETING

For several days past preparations have been in progress among members of the Holiness Movement for the annual camp meeting on their beautiful grounds at Lake Elzida. Since the first of these meetings, held five years ago, the interest in this annual gathering has broadened and deepened throughout all the churches of the district, until now the permanency of the camp seems assured. Members have erected twenty-three cottages, and the Movement has provided a large "living" tent where visitors in excess of the capacity of the cottages can be accommodated; then, many visitors bring their own tents, and so the large attendance is comfortably provided for. Last year there was an average attendance, apart from transient visitors, of about 314; this year it is expected that there will be even a larger attendance.

The camp opens on Wednesday, August 26th, and will continue for eight days. Rev. R. C. Horner, B. O. of Ottawa, and Rev. Mr. Anderson, of Watertown N. Y., will be present, as well as ministerial and lay representatives from all the churches of the district, viz.: Athens, Lyn, Algonquin, Bishop's Mills, Newboro, Pine Grove, Warburton.

There will be four sessions each day—at 8 and 10 a.m. and at 2 and about 7.15 p.m. It is expected that arrangements will be made to run a free bus between Athens and the camp ground for the accommodation all who take a sympathetic interest in the meetings. All such are cordially invited to attend the sessions.

### Logs Wanted
