MRS. HULDA JAKEMAN,

Wife of the President of the Elders of the Mormon Church, Salt Lake City, Utah, Recommends

Lydia E. Pinkham's Vegetable Compound for Woman's Periodic Pains.

Surely the great volume of letters we are constantly publishing from women made strong and well by Lydia E. Pinkham's Vegetable Compound must convince all women of the value of this famous medicine.

Does anyone suppose that the young wife of President Jakeman, whose portrait we are permitted to publish, would allow us this great privilege if she had not been so over-joyed at her own recovery that she now wants to be of service to her suffering sisters? No, indeed! no money can purchase such testimony, only a grateful heart full of a desire to help other sufferers could induce a young woman of such high social position to allow her name to be used in connection with any remedy.

How is it possible for us to make it plainer that Lydia E. Pinkham's Vegetable Compound will positively help all sick women? All women are constituted alike, rich and poor, high and low,—all suffer from the same organic troubles. Surely, no one can wish to remain weak and sickly, discouraged with life and no hope for the future when proof is so unmistakable that Lydia E. Pinkham's Vegetable Compound will cure monthly suffering—all womb and ovarian troubles and all the ills peculiar to women.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. She can surely help you, for no person in America has such a wide experience in treating female ills as she has had. Address is Lynn, Mass.; her advice is free and always helpful.

MRS. HULDA JAKEMAN, of Salt Lake City.

"DEAR MRS. PINKHAM: - Before I knew of Lydia E. Pinkham's Vegetable Compound I dreaded the approach of the time for my menstrual period, as it would mean a couple of days in bed with intense pain and suffering. I was under the physicians care for over a year without any relief, when my attention was called to Lydia E. Pinkham's Vegetable Compound by several of our Mormon women who had been cured through its use. I began its systematic use and improved gradually in health, and after the use of six bottles my health was completely restored, and for over two years I have had neither ache or pain. You have a truly wonderful remedy for women. Very sincerely yours, Mrs. Hulda Jakeman, Salt Lake City, Utah."

O, my sisters, I do pray you to profit by Mrs. Jakeman's experiences; just as surely as she was cured of the troubles enumerated in her letter, just so surely will Lydia E. Pinkham's Vegetable Compound cure every woman in the land who suffers from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, and nervous prostration; remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.

REWARD. — We have deposited with the National City Bank of Lynn, \$500 which will be paid to any person who can find that the above testimonial letter are not gasasine, or were published before obtaining the writer's special pendished.

Paine's Celery Compound

The Medicine That Saves Life and Restores Lost Health.

A merciful providence still keeps the spark of life in thousands of wasted and feeble bodies, The fitful, flickering spark will burn with decreased power as the hot days of summer approach. There is still hope for even hose who are now catching glimpses of the dark valley. The use of Paine's Celery Compound during the month of June will at once arrest the pro-gress of wasting disease. It will strengthen the weak and inflamed nerves, rid the body of morbid waste material, make the blood pure and give healthy action to the stomach, liver and kidneys. Nervousness, sleeplessness, rheumatism, neuralgia, liver and kidney trouble quickly vanish when Dr. Phelp's marvellous prescription is used. Mrs. A. Perry, Port Maitland, N. S., says:

"For two years my system was all

rundown, and I suffered more than I can describe from nervous prostration and insomnia; at times I almost lost my reason from severe paid at base of the brain. My husband advised me to try Paine's Celery Compound, which I did, and the effects were wonderful. I soon began to sleep well, the pain left my head, my whole system was strengthened, and I am now enjoying very good health."

Behind the veil of her womanly modesty and fortitude, nearly every woman suffers indescribably from ime to time, and continues to suffer in spite of all her efforts, because or-dinary medicine is powerless to do good in such cases. Ordinary medicine may give temporary relief-even a purgative may do that - but the one great medical discovery capable of permanently curing and preventing a return of the ailment is Dr. Wil liams' Pink Pills.
