WORLD OF SPORT

BASEBALL

It was a pitchers' battle where honors were about evenly divided, but in one case the support was better than the other. That is the whole story of yesterday's game between the C. M. C. and Leamington, assisted by Pitcher Early, of London, and others. Then it was just as Pitcher Roy Miller said after the game, that the better team won.

Leamington brought in a strong team, while Chatham did not have on their strongest possible team. Harry Philip was to have played short stop but was unable to get out. Mac. McLeod, who was put in his place provided a poor substitute.

Early was always in the game, and kept the few hits secured well scattered. Miller pitched a good game up till the eighth, when through a number of hits and errors secured five runs, making the score seven-three in the first innings. Chatham got two runs in the fourth, one in the seventh and Miller's beautiful homer in the ninth finished the scoring. Miller struck out 10 men; he struck out seven consecutive men in the third, fourth and fifth.

Geo. Perrin made an impartial and satisfactory umpire. The score tells the tale:—

FOOTBALL

DARRELL WON.

The first football game of the season was played on Tecumseh Park yesterday afternoon, the opposing sides being Darrell and Chatham. The former won by a score of 2-0.

The game was purely a practice game on the part of the Chatham team, who are getting in the best possible shape for their game with Galt, the champions of Ontario.

The game throughout was a good one, considering the fact that most of the Chatham players were completely out of practice, having dropped out of football for the last two seasons. The men who represented Chatham, were as far as possible, the same men who will play against Galt, and if they continue to improve, as they no doubt will, on their playing in this first practice, the game with the champions will be a fast and interesting one. The old players who were on the field showed to the spectators that they have not yet forgotten all they know about the game, and if they get out and practice, as it is to be hoped they will do, the coming game will have all of the spirit and enthusiasm of those in the "Peninsula League," when Chatham, under the captainship of F. D. Laurie carried off the Walker cup. One unfortunate circumstance in connection with the game yesterday was that Mr. Laurie was not able to play with the Chatham boys. Had he been on the field, there might have been another exciting game. However, he will be out for the Galt game, and a much better showing may then be expected, on the part of the Chatham players.

Sam Mercer, promising young Maple City football player, played with the Darrell team, owing to the absence of one of their men, and assisted very materially in winning the game for Darrell. He shot the first goal scored and stood out prominently in the combination play which preceded the scoring of the second.

The Darrell team deserve much credit. They played an excellent game, and well earned their victory. Darrell has good reason to be proud of her football club.

The following was the line-up of the teams:

Darrell.
Goal—French.
Backs—Pugh and Oliver.
Half Backs—Abraham, Pugh and M. French.
Forwards—R. Abraham, Gregord, Fisher, Jenks and Mercer.
Chatham.

Goal—Sowerby.
Backs—Wilson and Courtney.
Half Backs—Sissons, Pigott and Fetterly.
Forwards—Anderson, Hamilton, Sheldon, Fraser and Winter.

The Central and McKough football teams meet to-night in a friendly game of football on Tecumseh park.

To-night, "Under Two Flags," a military play in five acts, will be presented with a special act written by Miss Adams, introducing the Grand Marshall and the famous Arab scene. The company carry all costumes for this play.

The Stratford Beacon printed the following on Sept. 10th:

AT THEATRE ALBERT.
The Bijou Comedy Company appeared at its best last night in the well-known drama, "Under Two Flags." This has been played here by several repertory companies, but never better than by this one. An abundance of good dramatic situations retain close interest throughout. The difficult role of Cigarette, the brave little Vivandiere of the French regiment serving in Algiers, was admirably interpreted by Miss Marie Adams. Her declamation before the Grand Marshall, in the third act, was especially good. Mr. Young, as Louise Victor, gave a strong rendition of his part. He is an actor of undoubted talent. During the interval between the third and fourth acts a couple of songs were given by Mr. T. Arthur Ruff in very good voice.

Dr. W. R. Hall has removed his office from Victoria Block to his new building on Sixth street, next door to the Fire Hall.

between Chatham and Thamesville for first place, and it was decided on invitation from the Blenheim club management to play it off at Blenheim on neutral grounds. The visiting clubs were right royally entertained by the Blenheimites. The grounds were beautifully decorated with flags and flowers, and soft drinks and fruits were served in abundance.

The rinks were in very good condition and fast. The first rink on which Dr. R. V. Bray and J. Duncan were opposing skips, Dr. Bray had secured nine points before the other fellows started to score, but they made it a little closer before the finish. On the other rink, with John Sowerby and N. R. Cornwall opposing skips, Thamesville was four points ahead when Sowerby's rink got down to business, and won nine straight ends.

The scores:—

Rink No. 1.
Thamesville—John Howell, D. Newcomb, Dr. C. N. Currie, J. Duncan, skip—11.

Rink No. 2.
Chatham—L. E. Tillson, G. B. Merritt, Wm. Anderson, R. V. Bray, skip—16.

Rink No. 3.
Thamesville—A. J. Hubbel, H. S. Johnson, D. J. Davis, N. R. Cornwall, skip—11.

Rink No. 4.
Chatham—W. H. Robinson, A. H. VonGutten, R. G. Fleming, John Sowerby, skip—19.

Chatham—35.
Thamesville—22.

Majority for Chatham—13.

This brings the championship trophy of the Kent Association to Chatham. The trophy was most generously put up for competition by VonGutten Bros.

As the bowling tournament progresses so does the interest in it increase. Yesterday's matches were especially interesting. In the doubles Dr. Fleming and Steve Smith defeated J. W. Webb and J. P. Ross, by six shots.

In the singles T. K. McKeand and D. Turrill had a close game. An extra end had to be played to see who was best man, and the former won by one shot.

G. K. Atkinson and C. Austin also played off in the singles. This was well contested, but Mr. Atkinson won by two shots.

The scores:—

Dr. Fleming, S. Smith, 13.
J. W. Webb, J. P. Ross, 7.

T. K. McKeand, 21.
D. Turrill, 20.

G. K. Atkinson, 24.
C. Austin, 22.

Theatrical

Rowland & Young's Bijou Comedy Co. presented "Dad's Girl" at the Grand last night, with Miss Marjorie Adams in the title role. The house was packed and standing room was at a premium. Miss Adams is a very pretty actress, of good quality and showed up well in "Dad's Girl." Mr.

Rowland as Vaco de Gamo Biles, was particularly funny, and secured much deserved applause.

Wm. Dyer, a former Chathamite, who used to do some reciting when here, showed up well in the villain, and on his initial appearance on the Chatham stage, was given a hearty welcome.

The show is clean and continuous; the specialties good, and there was not a dull moment.

"Under two flags," the well known war story, will be to-night's bill.

Stylish Top Coats

Things were never more right than they are this fall. We've been lucky—or clever—in finding the best cloths, and have provided a big variety of them. Every overcoat is made under our personal eye here in the factory, and made up to the most careful standards.

Every manufacturer claims to do the best work that's done. But after all you have only to examine. If John, Giles and Jerry each claim to be an inch taller than the others, you've only to see the three lined up side by side to judge. Same with different makes of clothing.

You'll find the styles right up to the minute. Here are some wantable garments either for present or later wear.

Men's whipcord coats, a feat of management at the price.....	\$6.50
Youths' raglan's, of gray chevrot.....	\$7.50
Men's plain chevrot coats, very smart.....	\$8.00 and \$10.00
Men's raglans, a very swell chevrot coat, with vertical pocket and black cloth collar.....	\$12.00
Men's unlined coats of reversible rainproof cloth with check back. Black velvet collar.....	\$12.00

The Letter-Box

Mr. Editor:

If the City Council will send their committee on forestry over to Victoria avenue they would find the branches of the trees so low that they are a nuisance to pedestrians. I would advise the council to engage the services of the Board of Underwriters, whose hands are cracking for a job, and have him and his little saw amputate those limbs. Don't let Moses leave that perennial smile behind.

RESIDENT.

RATES INCREASED.

To the Editor of The Planet:
I would like to draw the attention of the citizens of Chatham to the fact that notwithstanding the fact that we have complied with all the requirements of the Board of Underwriters our insurance rates have increased. The underwriters asked us to place another man in the fire hall, we did so; they asked us to purchase controlling nozzles, we did so. They asked us to supply another wagon; we complied. They asked us to keep a certain amount of first class hose on hand. We are doing so. They asked us to install an electric fire alarm system and a very large outlay, we established the system. And in the face of our doing all that is and was required they, contrary to their promise, advanced the rate. Chatham has a well equipped brigade, well managed, with all modern appliances for fighting fires, and still our rates are increasing. I can only say that the Board of Underwriters are not acting honestly. If a private citizen violated his word in such a manner, he characterized as dishonest.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by the constant use of the Eustachian Tube. When this tube gets inflamed you have a running sound of imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

Catarrhazone is extremely simple and pleasant to use, and suffers from any form of deafness are advised record where Catarrhazone has perfectly restored lost hearing, and what it has done for others it can do for you.
