A runaway which may have fatal results occurred on Wednesday evening last. Mr George Harris and his sister, Mrs Harris, of Lower Wolfville, had been in town and were returning home. When within a short distance of their residence a couple of bicyclists in the rear of the team rang their bells, causing the horse to take fright. The terrified animal plunged and reared, overturning the carriage and throwing the occupants heavily to the ground.

Mrs Harris had a rib broken and sustained other internal injuries, how serious it is not yet known. Mr Harris was badly bruised about the face by a kick from the horse. The carriage was smashed to some extent, while the direct cause of all the trouble escaped unhurt.

The speeding of horses on Main street after dark should be stopped. One of our bicyclists ran over this week. There is certainly great danger of accidents happening to both pedestrians and cyclists, who are as much entitled to the use of the thoroughfare as those trotters who are just fast enough to make them a nuisance. If you think your horse is a flyer get a ticket from Dr. Bowler, and drive him on the Speedway.
