Mike Daly's Salvage Burned Up Talent's Money.

Good Racing Yesterday at the Local Track-Hamilton Horses at Tilsonburg -Records at Lima, Ohio.

Good stretch drives and close finishes marked several of the races at the Hamilton Jockey Club track yesterday. The weather was fine, the track was in good condition, and the crowd was large, Jimmy Foley was the star jockey again yesterday, piloting two winners, a second and a third. He gave every mount a faultless ride. Three favorites and four second choices won, not a long shot going over. The talent got the worst bump of the meeting by Salvage. A barrel of money went on Mike Daly's horse, and he was backed from 8 to 5 to 4 to 5. Just at 1, post time a lot of wise money went in on Prospeto, who opened at 3 and closed at 12 to 5. Foley made a runaway race of it with Prospero, who led all the way and won by a length. Muck Rake, a long shot, was second, and at the wire Nettic Carita beat out the favorite for show money.

All the horses in the steeplechase went through the field without an accident, and there were six of them, and some of them without much class. There was a hot tip out on Coal Black Lady, a green jumper, who had never raced over the sticks. It was reported that she had shown a great trial the previous evening, and she was backed from 15 to to 15 ot 1. Old Cardigan was always was always.

It was reported that she had shown a great trial the previous evening, and she was backed from 15 to 1 to 3 to 1. Old Cardigan was always the favorite, however, closing at 2 to 1. Three was a steady play on Bally Castle, who opened at 4 and closed at 3. Coal Black Lady made a spectacular run for one turn of the field, jumping like a veteran and showing great speed on the flat. For a turn of the whole field she led the others by many lengths, racing like a crack sprinter and jumping beautifully, but it is a tiring business for a new comer, and when she began to find the effort telling old Bally Castle was on the spot ready to take up the leadership. pany opened yesterday to the largest first-class gathering in its history. The track was only fairly fast, and the exhibition mile of Sweet Marie, driven by W. J. Andrews, for the world's record for trotters over an half-mile course, resulted in two faster quarters than her mile at Allantown. Pa., but the big mare tired and was urged under the wire in 2.07 flat, just equalling her own world's mark. To wagon, driven by George Webb, she lowered the world's record to 2.094, going the balf in 1.044. Time—2.11, 2.08%, 2.11%. Toronto Mail: The Vics. notified Ham ilton yesterday that they will not play any Tiger team here on Saturday, so Hamilton need not send their intermediates. The reason for the Vica' action is the uncertainty of the Tigers' intentions-the Toronto team wants the champion Tiger team or none at all.

Charlie Olsen, better known here as Harry Mays, has issued a challenge to throw Charlie Conkle three times in an hour, or to throw Conkle and any other two wrestlers in Hamilton three times in sixty minutes. Olsen is at present in the Western States, but is coming east in a few weeks. He is a 175 pounder. Tommy Burns, the world's heavy

weight champion, is flirting with a match with Gunner Moir, to take place before the National Sporting Club, of London and to be for the heavyweight champion ship of the world. The only hitch in the arrangement is that Burns wants a guarantee, and the club desires to have a winner's and loser's end. Burns wanted a \$5,000 guarantee and \$1,000 expenses but the ciub offered a \$5,500 purse, of which \$4,500 was to go to the winner and \$1,000 to the loser. This is a liberal offer from the London club, which, owing to the limited capacity of its building, has not seen its way to offering big purses. However, the club gave a \$10,000 purse for the great Jackson-Slavin fight, and that was probably the high

Brighton Beach, Oct. 2.—Salvidere, running to his best form, easily won the Cup Preliminary at one and a half miles here yesterday, and in doing so made a new track record by stepping it in 2.30 4-5. This time is very close to the world's record of 2.30½, made by Goodrich at Chicago a year ago. Ballot, the 1 to 3 shot, went out in front early and forced a fast pace, but at the end of the mile Salvidere moved up and, taking the lead, won easily by six lengths. Jockey W. "As the blacksmith strikes when the iron is hot, so the wise clothing buyer will make his selections while the season is young and stocks comparatively unbroken."

"FOR EACH MAM, ACCORDING TO HIS FANCY," that's the policy in vogue here, the liberal, broadgauged business principle that has won so wide a popularity for the 2T's in the west. In this pre-eminent establishment one may meet with only the best clothes that brains and money can produce; moreover, every manufacturer entitled to rank among the country's "top notchers" is given a conspicuous representation in our colossal collection. Under these conditions one may choose his clothing with the satisfied assurance that the products of not merely a single producer, but all the best American makers, lie before him.

MARYLEBONES' GREAT FINISH.

GREAT FINISH. Saturday. The Argonauts are scheduled for Montreal and the Tigers for Oftawa, but this arrangement may be reversed at to-morrow's meeting. However, there will be games in Montreal and Ottawa anyway. The Montreal affidavits arrived to-day. They are four in number, the plyers involved being Smail, Magor, Russell and Hamilton, all of whom swear they are simon pures. Ottawa has two applications, Rankin and another, but they are not in yet.

Philadelphia, Oct. 2.—The Marylebone cricketers scored a sensational finish in their four days' match with All-Philadelphia. The Englishmen were all out for 124 in their second innning, and it looked like a win for the home team, or at worst a draw. Owing to Pritchard's destructive bowling yesterday the Quakers had nine wickets down for sixty, and the visitore were ahead on the two innings by 89 runs, but one wicket left it a draw. Score:

There will also be stout opposition of fered to any movement to reinstate Russell and Hamilton, of Montreal, whose cases will be dealt with by the C.A.A.U. Registration Committee, probably tomorrow. Upon the action of the Amateur Union will largely depend the life of the new league.

ilton Tigers and Argonauis is interesting. The Tigers have not been able to secure the large and enthusiastic turnouts that characterized their preparatory work in previous seasons. Six of their strongest men, or nearly half of the team that landed the Canadian championship for the Jungle Kings last year, have signified their determination of retiring from the game, and have not had a uniform on this season.

This number includes Sep. DuMoulin, whose place will be impossible to fill on the back division. Then there are Marriout, McCarthy, the big centre man. Burkholder, Dave McKeand and Ralph Ripley. Of these there is a possibility, but a very remote one, that Marriott will be in line perhaps next week.

In the meantime, as they appear in practice, the team looks to be easily 25 2 per cent, weaker than a year ago. The loss of so many men has necessarily impaired the great team work and system that was the chief factor in the past success of the Tigers, and though George Ballard has returned to Hamilton and was out last night with the team he finds it an entirely different matter drilling the new recruits and developing material to handling the finished team of last, year, a team that had played three years together.

Hard to Fill Vacancies.

Hard to Fill Vacancies,

Every hole is hard to fill, and so far
there are no men in sight who can possibly compensate the team for the loss of
so many stars. On the back division
they will probably place a junior at centre bulf in the great DuMoulin's place,
and it might be stated that that junior
has not played Rugby for two or three
years.

Just who will replace the old stars on the line, or who will succeed the famous Dinny McCarthy at centre has not been decided. Certain it is that none of the candidates can begin to fill the vacancy with the same skill as McCarthy, and the same applies to the rest of the missing ones. Football material of that calibre is not made in a day.

As before stated, from this distance the Tiger look weaker than a year ago.

Montreal Looks Good.

Montreal Looks Good.

As to Montreal little is known of their

team up here. If Russell is whitewashed by the C.A.A.U. they will have just so much more strength on the back division, but even if his amateur status is not restoked, there are plenty of candidates, according to reports, who would be able to fill his shoes to advantage.

Their team, with the exception of the late Mr. Allison, should be just about the same as last year, and with such a capable coach as Chaucer Elliott handling them, they should show much better form than a year ago, and should be stronger in every department of the game. In fact, it would not be surprising to see them outclass the other teams.

They will certainly be the team to beat for the championship.
