Northern Pacific Railroad.

The Northern Pacific railroad was last Wednesday opened from Duluth to Brainherd, at the crossing of the Mississippi river, a distance of 113 miles. The grading is about completed west from the Mississippi 132 miles to the border of Dakota, making 245 miles in all. The bridge across the Mississippi river is nearly finished, and at the present rapid rate of progress the road will be in full operation between Lake Superior and the Red River of the North before September next. Between Mississippi and the Red river and westward the road is through an agricultural country of unsurpassed richness, and the entire Red River Valley, as far north as Lake Winnipeg, is one of remarkable fertility. The people of Manitoba, in British America, are already taking measures to construct a railroad to connect with this branch of the Northern Pacific at Pembina. This will render the British provinces west of Lake Superior commercially tributary to the Northwestern States, and important political results may follow.

VERY NATURAL.—When a person has moved an article and found it good, and answering the purpose for which it is intended he will not readily abait on it for one of doubtful reputation, or concerning which he knows nothing. We are led to make these remarks owing to the course always pursued by those who have used that celebrated and truly valuable horse-medicine known as "Darley's Arabian Heave Remedy"—all are so well pleased with it that they will not use any other; many have waited several weeks until the agent could obtain a new supply. There is nothing equal to it as a condition Medicine, or for any complaint affecting the wind of horses.

Remember the name, and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Newcastle, C. W., proprietors for the Canadas. Sold by all Medicine dealers.

The Instrument of Success.—We must work if you would make: Few people live by their wits, and labour is the natural inheritance of our race, necessary to health as well as prosperity: but as none can expect perfect immunity from sickness, it is right that the best means of cure should always be ready. Now for colds, coughs, rheumatism, neuralgia, cramps, cholic, &c., there is nothing like the "Canadian Pain Destroyer." For sale by all Druggists and country dealers. Price 25 cents per bottle.

Health is Strength.—To prevent or conquer disease is one of the grandest attainments ever aimed at by man; and Bryan's Pulmonic Wafers will as sure cure coughs, colds, tickling in the throat and pulmonary complaints, as war and pestilence will destroy. Severe colds if not attended to sooner or later lead to incurable consumption, and the strength of the strongest soon fails if neglected. The readiest and best means known for the cure of these complaints is "Bryan's Pulmonic Wafers," which have been thoroughly tried for the last twenty years, and have never been known to fail. Singers and public speakers will also derive great benefit from the use of them. Sold by all medicine dealers, at 25 cts. per box.

Life has few Charms for the Dyspeptic, which is not to be wondered at when we take into the account the amount of bodily and mental suffering that this distressing malady generates. The Peruvian Syrup (a protoxide of iron) has cured thousands who were suffering from this disease.

The mind governs the muscles through the Nervous System, as the telegraph apparatus is influenced by a remote operator through the wire. If the mind is impaired by age or other causes, the sympathetic nerves become debilitated, and through the nerves the muscles of the Stomach, Liver, Heart, Lungs or Genital Organs became weakened, and disease in the ot Dyspepsia, Disease of the Heart, Weak Lungs, or General Debility follow with their accompanying trains of evil. Fellows' Compound Syrup of Hypophosphites restores tone to the mind, the nerves and the muscles. In this way it overcomes disease.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this *SARSAPARILLA*, *St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Ulcerous* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations*, and *Female Diseases*, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver*, and *Jaundice*, when arising, as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless*, and troubled with *Nervous Apprehensions* or *Fears*, or any of the affections symptomatic of *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.
