

\$25.00 in Gold Given Away!

The great "QUEEN LINIMENT COMPETITION" open to every Man, Woman and Child in Newfoundland. On the 1st of March, 1912, will be given away to the four or more successful winners of this competition the sum of \$25.00 in Gold.

We have on exhibition in the window of our Medical Hall, Theatre Hill, a rectangular box having an inside space as follows: length, 8 inches; breadth, 4 inches; height, 3 inches. This box is filled with Antibilious Pills of about the size of a pea.

The competition is to guess as near as possible the number of pills contained in the box. The person guessing the exact number, or the nearest number of Pills in the box, will receive for the first prize, \$10.00; second prize, \$5.00; third and fourth prizes, \$2.50 each.

In the event of two or more persons guessing the same number, the amount of the prize will be proportionately divided among the successful winners. That rule will apply to all prize winners. Every person purchasing a bottle of our "QUEEN OF LINIMENTS," whether in the city or outport towns, and mailing us the outside green wrapper of bottle, with the number of guess, together with their name and address will have a chance of winning the grand prize.

If outport competitors who are unable to obtain this Liniment in their town will mail us Twenty Cents in Stamps, together with number of guess, name and address in full, we will forward post paid by return mail a bottle of our "QUEEN OF LINIMENTS," but with the outside wrapper removed and retained by us, as a pledge of purchase, and a due record kept of that fact. The person forwarding us the greatest number of outside green wrappers of bottle together with their name and address will not only receive an additional prize of \$5.00, but will have a chance of winning some other prizes as well, if they send a guessing number with each accompanying wrapper.

This competition will close on the 1st day of March 1912, at 12 o'clock noon, estimates after that date and hour will not be considered.

On the same date the box will be opened, by two reliable and competent judges who will carefully count the number of Pills, and make the awards to the successful competitors. "STAFFORD'S QUEEN OF LINIMENTS" is one of the most perfect and penetrating Liniments that can be purchased in Newfoundland, and it ought to be in every household. Once used always used.

Clippings from Argentina

The codfishery for the season is now over. It was not a very successful one, but still we are not as badly off, as some of our neighbouring settlements.

The herring fishery has begun and large numbers of our fishermen have gone off in search of the shimmering fish.

All our young men who have been to some of the New England States for fishing, etc., are returning, day by day, to their native shore.

Nearly all the schooners which have been to St. John's for their winter stock have now returned.

Argentina Presbytery was the scene of a pretty wedding on Nov. 2nd when Mr. D. Carroll and Miss Ryan were united by the Holy Bonds of Matrimony, the contracting parties being from Red Island. The bride was attired in white silk muslin and wore a veil and orange blossoms.

Much dissatisfaction prevails owing to the late arrival of the Placencia train at St. John's, passengers from Placencia Bay have had trying experiences, such as having to remain in the passenger car until morning.

The much dreaded disease, consumption, has taken off two of our young men within a week of each other.

Mr. Peter Lynch and Mr. Thomas Hunt.

Constable Devine who was doing duty here for the past month returned to the city last week.

The foundation of the new church which began two weeks ago is now finished, built entirely of free labour.

The new Presbytery which was started in July last is now nearing completion, and the Rev. J. Ashley expects to take up his residence there in the space of a few weeks.

Great preparations are being made by the ladies of Argentina for a Sale of Work to be held during Christmas Week.

The following ladies are the Committee: Mesdames M. Murphy, James Davis, P. Hunt, A. Keats, M. Dunphy, J. Evans, Misses Symth and Forward. They hope to make the Sale of Work as successful as the Garden Party.

The outbreak of diphtheria at Marquise did not spread beyond one house. Thanks to the precautions taken by the Board of Health.

On Wednesday, Nov. 15th, some of the ladies of Fox Harbor intend holding a Sociable for the benefit of a new school which will shortly be erected there. It is badly needed as the old one is too small to accommodate the large number of children, and at present school is being held in the Church. Two new teachers have

been employed for this school since the mid-summer vacation, Mr. E. J. Neary, A.A. late of Bell Island, C.B., and Miss Laura O'Reilly, 1st Grade, late teacher at Lawn.

A druggist can obtain an imitation of MINARD'S LINIMENT from a Toronto house at a very low price, and have it labeled his own product.

This greasy imitation is the poorest one we have yet seen of the many that are being sold. Ask for MINARD'S and you will get it.

Harbor Grace Notes.

Miss A. Bert, of Old Perilcan, arrived here on Tuesday evening on a visit to her uncle and aunt, Sergeant and Mrs. Spracklin.

Mrs. A. H. Seymour arrived last week from England via Sydney. Her friends are pleased to have her with them again.

The lads of King Edward Brigade received their uniforms during the week, and look very well. The uniform is a serviceable one, and the guardians are to be congratulated on the choice.

Mr. Frank Davis left for Toronto yesterday morning after a very pleasant visit to his friends here. Mr. Davis is a clerk in the Bank of Nova Scotia there.

We have to thank Mr. Thomas Freeman, photographer, for a couple of very pretty post cards—photos of our late Agricultural Exhibition. A nice reminder to send to absent friends.

Capt. Hillier, of the Salvation Army here who has been laid up with scurvy fever for some time is, we are glad to hear, fast improving. He is being attended to by his mother, Mrs. Hillier, of New Harbor.

Rabbits are very scarce in town now, and the few brought along fetched 40 cents a brace. Here is a good chance for some of our idle young men to make good money in snaring these little animals.

Methodist College Boys Champions.

The inter-collegiate football match between the Methodist College lads and the St. Bon's College students took place yesterday afternoon on St. George's Field, and proved to be the most stubbornly contested game ever played there. A large number of spectators were present and cheered on their favourites, and for a long while it was anybody's game.

The Methodist boys, however, through Gear, secured the one and only goal scored, and were hailed as champions when the referee blew the final whistle. The lads now retain the cup, having won it now three years in succession, and they heartily congratulated them on their victory. The vanquished lads, however, need not be ashamed of their work through the season.

They put up the plucky game yesterday for which they have been always noted, and no doubt better luck will be theirs in years to come. The teams were:—

Methodist—Ross, Lench (2), Bastow, Burt, Hayward, Gear, Stevenson, Tucker, Parsons.

St. Bon's.—Lundrigan, Murphy, Knight, Hogan, Leeman, O'Hagan, Young, Crawford, Halley, Duchemin, Rawlins.

All You Need is a Cascaret To-Night

No Sick Headache, Bilious Stomach, Coated Tongue or Constipated Bowels by Mornalax.

Turn the rascals out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the sour, undigested and fermenting food that is making gas; take the excess bile from your liver and carry it out of the system all the decomposed waste matter and poison in the intestines and bowels. Then you will feel great.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep. A 10-cent box from any drug store means a clear head and cheerfulness for months. Children love to take Cascarets because they taste good—never gripe or sicken.

Special to Evening Telegram. NANKING, Nov. 10. Historic Nanking is this evening the shambles of the Manchu butchers. The sun has set upon a scene of fire, rapine, desolation and butchery unrecorded in modern history. To-night 12,000 Manchu Imperial old-style soldiers hold Purple Hill, where they are entrenched, while from beneath their stronghold they are driving before them hordes of Chinese out of the city.

Special to Evening Telegram. LONDON, Nov. 10. In the lobby of the House of Commons this afternoon it was regarded as certain that Bonar Law would be unanimously elected at a caucus on Monday as Unionist leader of the Commons. The campaign in the respective camps of Chamberlain and Long developed such bitterness of feeling that it was soon evident that the election of one of them at the expense of the other would leave behind too many raw places. Both, it is understood, declared their readiness to serve under Bonar Law's leadership. Law comes from New Brunswick. He entered Parliament in 1900, and vacated a safe seat in the Dutch division of Camberwell last General Election to fight North West Manchester on the Tariff Reform platform, but was defeated. That is Mr. Stewart's Opinion of Douglas' Egyptian Liniment

Mr. Israel Stewart, of Desmond, Ontario, has given Douglas' Egyptian Liniment a very thorough test, and this is what he says about it.

"After using and making some remarkable and speedy cures with Douglas' Egyptian Liniment, I must say that I believe it to be the most wonderful remedy for man and beast I have ever used. We had a horse badly injured in the pasture field and before we were aware of it the wound was in a very bad condition, but Egyptian Liniment soon dislodged everything nasty and a rapid cure was made.

In the house it is simply invaluable in all cases of rheumatism, sciatica, neuralgia, burns, sprains or bruises. It is a boon to humanity.

You owe it to your family and your stock to keep a bottle of Douglas' Egyptian Liniment always on hand, ready for instant use.

It stops bleeding at once. It heals cuts and wounds without inflammation or proud flesh. It quickly takes the pain and swelling out of sprains and bruises of all kinds. In fact it is simply splendid for every trouble of man or beast which a liniment can cure. 40 cts. at all dealers, free sample on request. Douglas & Co., Napae, Ont.
