A NEW WONDER OF THE WORLD

The Gatlins 3 Day Liquor Cure. This is what a very prominent Doctor said at a recent Medical Convention:—"For quite a while I was skeptical about Liquor Cures, till I had one of my patients take the Gatlins Treatment, after having failed to have him cured by three or four other so-called liquor cures. The Gatlins Treatment not only cured my man of the drinking habit in three days, but built up his entire system wonderfully, and he is now a picture of health, after he was given up by everybody."

Not only is this cure positively permanent, but it is accomplished in just three days—money refunded if cure is not satisfactory at the end of three days—and each patient is given written guarantee to cure before commencing the treatment. Special treatment will be furnished those who prefer taking treatment at home. For complete information sent in plain envelope, address—
