Resolution for 1916.

Realizing that it is my duty as a citizen of Newfoundland to help provide employment for our working people and to keep the wheels of industry running,

I HEREBY RESOLVE that from this time forward, no matter what I may buy, I shall take pains to enquire if it is the product of a home factory, and, if it is, quality being equal, I shall give it the preference.

AN APPRECIATION.

The following telegram just received by L. M. TRASK & CO., Nfld., Distributors for FERRO Engines, is in appreciation of the large volume of business secured by this company for the Ferro Factory. The message is as follows:—

"To L. M. TRASK & CO., St. John's, Nfld. "To avoid outside parties purchasing in Montreal, are giving you exclusive agency in Province of Quebec. Mail complete order for repair parts for spring to be shipped with car. (Signed),— FERRO MACHINE & FOUNDRY CO., Cleveland, Ohio."

Messrs. TRASK & CO. have been Factory Distributors for the FERRO in the Maritime Provinces and Nfld. since 1907, and the extension of the territory given them by the Ferro Factory is proof that they can get the business.

The Ferro organization has over 1500 agents throughout the world, and the executive has stated to Mr. Trask on several occasions that he has sold more engines for them than any other three agents put together.

In fact, they have already disposed of three carloads (about 180 engines) since last September in Nfld. alone, a record unequalled for this time of year by any other concern. jan12,eod,tf
